January 12, 1961

AMERICAN NAZI PARTY
RACIAL MATTERS

Lieutenant [redacted], Metropolitan Police Department, Washington, D. C., advised on January 11, 1961, that he had spoken to George Lincoln Rockwell, Commander of the American Nazi Party at approximately 11:45 a.m. and Rockwell stated that he and some of his "troopers" were leaving Friday, January 13, 1961, for New York and Boston. Rockwell stated that the purpose in going to Boston is to picket the movie "Exodus." Rockwell stated he planned to leave Arlington, Virginia, sometime Friday afternoon in a truck which will have mattresses and picket signs carried in the back. He stated the purpose in having mattresses is because some of his troopers may want to sleep all night in the truck. He stated that when they arrive in New York, they do not plan to stay in a hotel, but may sleep in the truck or call some friends which he did not identify.

b6
b7C

Lieutenant [redacted] added that Rockwell stated he intends to picket the movie house in Boston for about three or four hours on Sunday afternoon, January 15, 1961, and attempt to start a new chapter of the American Nazi Party in Boston. Rockwell stated that on Monday he will appear on a television program in Boston.

b6
b7C

Rockwell advised that he plans to return to Washington, D. C. sometime Tuesday night and intends to stay in a precinct of the Metropolitan Police Department on January 20, 1961, which is Inauguration Day for President-elect Kennedy. Rockwell stated he is doing this so that he will have a good alibi of his whereabouts on Inauguration Day.

A source advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the

United States would be known as the American Party of the WUFENS.

Rockwell on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The source advised on August 9, 1960, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open air talks by Rockwell attacking Jews as traitors to the United States. On July 3, 1960, and July 24, 1960, Rockwell was arrested on charges of disorderly conduct. The charges arose out of talks by him on those dates. On the latter occasion sixteen other members of the American Nazi Party were also charged with disorderly conduct.

UNITED STATES DEPARTMENT OF JUSTICE
FEDERAL BUREAU OF INVESTIGATION

Boston, Massachusetts
January 18, 1961

AMERICAN NAZI PARTY;
GEORGE LINCOLN ROCKWELL

Deputy Superintendent of Police at Boston, Massachusetts, [redacted] furnished the following information concerning an attempt by George Lincoln Rockwell and his followers to set up a picket line in Boston, Massachusetts on January 15, 1961:

b6
b7C

According to Superintendent [redacted] who was in charge of a police detail to insure peaceful picketing by George Lincoln Rockwell and his followers, the latter, together with several followers, appeared in the vicinity of the Saxon Theater, located on Tremont Street near the corner of Stuart Street in the downtown section of Boston, shortly after noon time on Sunday, January 15, 1961. It apparently was the objective of Rockwell and his men to picket the motion picture, "Exodus", which was being exhibited on this date at the Saxon Theater. This motion picture, incidentally, depicts the founding of the nation of Israel and apparently was considered by Rockwell to be an objectionable propaganda vehicle.

At the time Rockwell appeared in the vicinity of the Saxon Theater there was a crowd of approximately 1,500 to 2,000 individuals who were carrying signs indicating that it was their intention to counterpicket. Rockwell, however, who was dressed in a khaki uniform with a red swastika armband and accompanied by one other individual similarly dressed who was identified as [redacted], a resident of Arlington, Virginia, was unable to undertake his intended picketing of the theater inasmuch as the crowd became unruly. Unknown individuals in the crowd threw stones, tomatoes, eggs, etc. and crowded in on Rockwell and his companion in a menacing manner.

b6
b7C

According to Superintendent [redacted], it became necessary to take Rockwell and his companion into protective custody immediately. Accordingly, Rockwell and his companion were rushed into a nearby alley adjoining the Saxon Theater. They crossed through the theater premises to a point of exit where they were placed in a police vehicle and taken to Boston Police Precinct Station #4 located in the South End of Boston.

Shortly after Rockwell was taken into protective custody, fifteen other followers or so-called "storm troopers" were intercepted by the Boston Police some several blocks distant from the Saxon Theater, riding in a truck which is described as follows:

All of the individuals riding in the aforementioned truck which contained mattresses and picket signs were likewise taken into protective custody and delivered to the aforementioned Precinct Station #4 in the South End of Boston. NAZI STORM TROOPERS PICKET THE HOUSE COMMITTEE

WASHINGTON, D.C. (1/2/61): A group of New York communist-Jews, led by SANDRA ROSENTHAL and RABBI ROSENBERG, were shipped down to D.C. in buses to picket against the HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES. When they arrived they found the area well fortified by 25 heavily NAZI Storm Troopers, picketing in support of the governmental agency. Police assigned the Jews across the street. For one hour the normally cold 40 degree temperature boiled over with tension as NAZIS and comic Jews glared across the street at each other. There's no telling what might have happened were it not for numerous police details.

The comics picketed for about one hour, and left. The well-disciplined NAZI Troopers demonstrated for 3 hours, then fell in behind COMMANDER ROCKWELL and a huge Statistika banner and marched through the main streets of the nation's capital to Judiciary Park at 5th & E Streets, where THE COMMANDER and LT. JOHN PATLER gave rip-roaring speeches in favor of the HOUSE COMMITTEE.

NAZI STORM TROOPERS PICKET THE HOUSE COMMITTEE

WASHINGTON, D.C. (1/3/61): Although the Senate has no power over House committees, rumors have been flying to the effect of certain Senators giving moral support of moves aimed at abolishing the HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES. In order to nip in the bud any such scheme, four NAZI Storm Troopers, led by CAPT. ROBT. C. FOGG, made the rounds of Senators from their home states. Troopers visited several Senators' offices including Senators: KEATING, whose secretary was attentive, S. ATERNS and J. TAREY. Also visited was SEN. JACOB JAVITS, New York Jew, who is believed to have left via a rear exit when one of the Troopers vowed to stay until he was sure the Senator was genuinely 'out'.

OUR MEN SMASH RED RING AS COMRADES FLEE!

CHICAGO, ILL. (12/31/60): Our Fighting men took to the streets New Year's Eve and legally smashed a comic-type youth meeting of card carrying members. The meeting headed by ALVA BUXENBAUM and D. RUBIN, was called to organize youth into a new nation-wide communist race-mixing network. Our men immediately went to work to stop it. Over 50 enraged citizens were organized into a protest march, while 30 others wearing armbands picketed the meeting place. This highly organized protest action drove the Reds into a state of panic. Only 25 of their number remained at the meeting. Others fled to the backroom of a nearby Turkish bath and attempted to hand out mimeographed propaganda.

FIGHTING AMERICAN NATIONALISTS (FAN)

The New York City chapter of the FIGHTING AMERICAN NATIONALISTS held a meeting Dec. 3. Speakers included: ERNEST ELIAWIST, author of 'WORLD HOAX', GEZA KORDA, Editor of 'FREE MEN GARIANS', and CHALES SMITH, Editor of 'TRUTH SEEKER', 38 Park Row, NYC. Most of the 20 present agreed to picket 'EXODUS', which picketing was a success, as was a 3 night picketing of race-mixing Loser Koen SAMMY DAVIS, JR., who is appearing at the Copacabana Club.

CHICAGO FAN. The Chicago FAN unit has been giving the Reds a rough time. MALCOLM LAMBERT FAN Director there, has a sizeable unit going and recently was responsible for legally breaking up a comic meeting by putting 30 arm band wearing pickets in the street against the Reds.

RESEARCHER LOOKS ON ALL NAZIS COMMANDER ROCKWELL has completed a 350 page autobiography. Everyone is asked to start inquiring about it at book stores, libraries, college libraries, book clubs, and local Jewish agencies. You can help by getting your friends working on this project too. Dear 

THE COMMANDER has read your letter of January 6 and thanks you for the clipping, which has been submitted to LT.  "National Socialist Bulletin" Editor. Congratulations from all of us, on your founding of the ANTI-COMMUNIST-ZIONIST YOUTH CORPS. The fact that you had the initiative to go out and found and form an organization shows you have the potential and GUTS to play a role in the vast NAZI apparatus.

b6
b7C

Until quite recently, I was running the unit in New York City, (FIGHTING AMERICAN NATIONALISTS) where we picketed KHRUSHCHEV, KENNEDY, "EXODUS", and the race-mixing Kosher koon, SAMMY DAVIS, JR. But because of the fantastic rate of growth of the NAZI PARTY and affiliates, COMMANDER ROCKWELL called me down to work at the National Headquarters. I'll be assisting CAPT  in organizing all the new groups that are springing up everywhere. Everyday there is more news of new FAN and NAZI units and of independents desiring to join as FAN or NAZIS.

b6
b7C

Enclosed please find a BULLETIN SUPPLEMENT, which will bring you up to date. Whenever you have activities, let us know and we'll mention it in the SUPPLEMENT, which goes to our most active people.

Organizing men into a unit is not always easy. But it is if you know how. It does require LEADERSHIP. You can never ask anyone to do anything that you wouldn't do yourself. And many times you may have to be the first one to do it. As you're developing as a unit, you will find the easiest way to keep the unit together is to keep them active. It's like riding a bike. When you slow up, you start to lose your balance.

The battle which we must fight to preserve our race and nation is going to be rugged. Only the toughest will last. As National Socialists, we believe in NATURAL SELECTION, or survival of the fittest. Many have come to join with us, but few have remained in comparison. But those few are the toughest and most dedicated! By tough, I don't mean size. I mean that 'something' that's in the heart. These relatively few have built our movement to where it is now the only effective and potent legitimate anti-communist movement on the face of the earth.

[redacted]

As you must know, [redacted], the one thing the Jews fear above all else is ORGANIZATION! When White men join together in common cause against the Jews and their wretched communism, the Jews quiver like trapped weasels. They know well of the fanatical fighting spirit and determination that inevitably follow the UNITED White man.

If a little group springs up in one spot, the Jews may crush it. But when a vast network operates simultaneously all across a nation, or the world (as WUFENS), the Jews become paralyzed with fear. The Jews are driven to the point of helplessness when confronted with simultaneous coordinated ORGANIZATION!

And that's just what we're going to hit them with!

On SUNDAY AFTERNOON, JANUARY 15, in Washington, D.C., Baltimore, New York, Boston, Jacksonville, Chicago, Minneapolis, Los Angeles, Charlotte, N.C., Winter Haven, Florida, Lyndhurst, New Jersey, and other smaller towns, WHITE MEN will take to the streets in a legal rebellion that will be simultaneous and coordinated across the country. The demonstration will be against the vicious communist propaganda movie "EXODUS"!

This demonstration will be so total, so uncannily total, that even in areas where "EXODUS" is not even showing there will be picketing of the City Hall in town, or the local movie theatre to keep "EXODUS" out!

You're probably aware that DALTON TRUMBO, who wrote the screenplay for "EXODUS", belongs to more than 8 communist-front organizations and took the 5th Amendment when asked if he was a commie. This is another reason why it is essential that it be picketed. And it's also a little assurance that you can't necessarily be branded as "anti-Semitic".

Something important to bear in mind is that, the numerical strength of the individual picket unit is naturally important, but it is secondary to the numerical strength of the coordinated effort as a whole. That's why the emphasis is not necessarily on how many pickets in each city, but on how many cities in the major offensive. Some sort of picketing in every city, no matter what size is essential to the overall strength of the demonstration, and will add to the publicity that each unit will get.

[redacted] is a key area. It represents a symbol of the most historic and race conscious region of our nation. The legal rebellion there will serve as a signal for other White men nearby, who are just waiting for a sign, for a cause to join. From the spirit shown in your letter all of us here are thankful that the [redacted] area is in the hands of one such as yourself, [redacted]

Picketing is legal. You can picket anyone at any time for any reason. We have often picketed the White House and numerous Jewish affairs. However, even though no one has the legal right to stop you from picketing, we always advise our men to obey the police at all times. If they deny you of your rights we'll fight them in the courts. But if you tell them that you know your rights and the law and can't be bluffed, they won't try any funny business with you.

You know doubt have friends and acquaintances in that area. Try and get a couple of them to picket with you. Work together and make up a couple of signs about DALTON TROTT having 3 Red-Fronts and taking the 14th Amendment. Then carry the signs in front of the theatre that has or is showing "EXODUS", or the City Hall if it hasn't been there. You can picket as long as you like, but try and make a minimum of 1/2 to 1 hr. That's all there is to it, and it means so much to the cause.

If for some reason you have trouble rounding up picketers and have to picket alone, it's OK. Many of our men have picketed alone. The result is that when the other guys get wind of it you'll have their respect and admiration. And you'll have no trouble getting people to join your unit. Also, you will have clearly established yourself as undisputed leader.

Once in New York, I picketed SAMMY DAVIS, JR. all alone for 2 hours. The next day my phone was buzzing with new recruits.

On the picketing we strongly urge that you go under the organization name of FIGHTING AMERICAN NATIONALISTS. (FAN). It's a nation-wide organizations of mostly young guys like yourself who are not ready to come out openly as NAZIS. Most of the "EXODUS" picketing this SUNDAY, JANUARY 15, will be by FAN. There happens to be an opening for a Director in your area. The position can be yours if you show the qualifications that we here believe you have. This SUNDAY is extremely important.

I've enclosed a few pieces of FAN stationary, and will send more to help you recruit. Some real sharp FAN programs will be ready in a little while. You should get a sample proof of it shortly, as soon as it comes from the printer. Use your address as the local FAN Headquarters. FAN is opposed to integration and as a solution favors sending the Negroes back to Africa. FAN is not openly anti-Semitic. Your picketing, for now, should stick to the communist and integration issues.

Some kind of picketing in each city is essential to the success of the overall offensive. We must all act as Lieutenants, each with a mission in an major battle. We must join together as White men in a march whose end shall in turn spell the end of Jewish communism and of Jewish domination over our lives.

Good luck on "OPERATION X", let us hear from you soon-and -

b6

remember that as you march forward as an intergal part of an organization so vast that is capable of sending whole cities into an uproar, and able to stage simultaneous demonstration throughout the nation, you have in this a feeling of strength and of certainty that is absent everywhere else in anti-communist circles.

Again, good luck on "OPERATION X" this Sunday JANUARY 15, and let us hear from you as soon as possible.

With National Socialist greetings, and -

RACIAL MATTERS

A confidential source, who has furnished reliable information in the past, advised that on January 15, 1961, representatives of an organization known as the Fighting American Nationalists, conducted a picketing demonstration at the Cinestage Theater, 180 North Dearborn Street, Chicago, Illinois, where the movie, "Exodus" was being shown. This source advised that the picketers, four in all, were immediately set upon by patrons of the theater waiting to gain entry. A group estimated at approximately 200 persons, pushed, spat upon, knocked into the street, and tore armbands from the picketers. Source stated that, unknown to the Fighting American Nationalist demonstrators, the showing of "Exodus" on January 15, 1961 was reserved entirely for a Jewish organization.

Source added that shortly before the Chicago Fighting American Nationalists began to picket, George Lincoln Rockwell, Commander, American Nazi Party, was stoned as he and his companions of the American Nazi Party, demonstrated against the showing of "Exodus" in Boston, Massachusetts. Source stated that it was later determined that this led people to believe the picketing in Chicago had been ordered by Rockwell. While, this was in fact the case, source stated none of the picketers would admit to such. Source stated that due to the attack upon the picketers, the demonstration lasted but fifteen minutes. One police officer present was helpless to assist the demonstrators, but asked the Fighting American Nationalist members to leave, which they did.

Source offered the opinion that in reality this demonstration by the Fighting American Nationalists organization is almost a final step into an open American Nazi Party in Chicago, Illinois.

This source stated that Fighting American Nationalists is a "front group" of the American Nazi Party, established in the Chicago area in November, 1960 for the express purpose of serving as a "training ground" for ultimate membership in the American Nazi Party.

Another confidential source advised on February 27, 1959 that George Lincoln Rockwell of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

This source advised on May 4, 1960 that Rockwell was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

Rockwell on March 26, 1959 furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS, stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS as reflected in the program call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

Source advised in May, 1960 that the headquarters of the organization is located at 928 North Randolph, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of Anti-Jewish material and open-air talks in the Spring of 1960 on the Mall in Washington, D.C.

On February 1, 1961, details concerning this demonstration were furnished to [redacted] Commanding Officer, Region I, United States Army Operations Group, Chicago, Illinois.

Additional letterhead memoranda will be forwarded when additional details are obtained from the Philadelphia PD.

For the information of Kansas City and San Diego, who have not previously received communications in this matter, it is noted that GEORGE LINCOLN ROCKWELL, Commander of the American Nazi Party, planned to travel to Philadelphia on 2/1/61 with a band of his followers and picket the motion picture "Exodus." ROCKWELL never showed up; however, a sizable crowd composed of students, representatives of Jewish organizations, and possibly some CP and SWP members did show up. Through strict measures the Philadelphia police maintained control of the crowd and no riot ensued. Three Nazis did appear but were arrested before they could start their demonstration. Copies of the enclosed letterhead memo have been designated for Kansas City and San Diego because students of the Pennsylvania Military College who were arrested by the Philadelphia PD furnished residence addresses located within those divisions.

Re: American Nazi Party
Racial Matters

"The New York Times", issue of February 15, 1961, carried an article entitled "Court Upsets Ban on Nazi Talk Here", which stated that the Appellate Division of the Supreme Court of the State of New York, on February 14, 1961, in a four to one decision, reversed New York State Supreme Court Justice Henry Epstein, who in August, 1960, had refused to order Park Commissioner Newbold Morris to issue a permit for George Lincoln Rockwell, leader of the American Nazi Party (ANP) to make a public speech in a park.

It is noted that Rockwell had previously requested a permit to speak in Union Square Park, New York City, on July 4, 1960, and was refused by Park Commissioner Newbold Morris on the grounds that such a speech would present a clear and present danger of riot.

In August, 1960, New York State Supreme Court Justice Henry Epstein held that the right of free speech could not be invoked by "self-confessed advocates of violence".

The Appellate Division of the Supreme Court of the State of New York on February 14, 1961, directed Park Commissioner Morris to allow Rockwell to file a new application for a permit and to act on it in accordance with their decision of February 14, 1961.

Robert F. Wagner, Mayor, City of New York, stated he would direct the Corporation Counsel of the City of New York to appeal the above decision to the Court of Appeals of the State of New York.

APPENDIX

AMERICAN NAZI PARTY

A source, who has furnished reliable information in the past, advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise, National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprise the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treasons.

The source advised on August 9, 1960, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open air talks by Rockwell, attacking the Jews as traitors to the United States.

On July 3, 1960, and July 24, 1960, Rockwell was arrested on charges of disorderly conduct. The charges arose out of talks by him on those dates. On the latter occasion, sixteen other members of the American Nazi Party were also charged with disorderly conduct.

On Tuesday, 1/31/61, a meeting was held at the Hotel Diplomat, 108 West 43rd Street, New York, New York, sponsored by the American Federation of Polish Jews. About 700 people attended and the meeting got under way at approximately 7:15pm. The initial speaker and Chairman of the forum was Mr. SIMON FEDERMAN. Mr. FEDERMAN explained to the audience that a Nazi officer by the name of HEUSINGER is about to be appointed Chairman of NATO. Mr. FEDERMAN said that HEUSINGER is a murderer of the past. He said that it is the duty of all Americans to speak up now and not to allow HEUSINGER to come to our Capitol and endanger the peace of the world. He said that we should use this opportunity to ask Mr. KENNEDY to use his office to stop this movement of Mr. HEUSINGER's appointment to NATO.

b6
b7C

The next speaker was [] who said the appointment of a former Nazi leader can lead to dangers of war. He said I think we the trade unionists present here, in protesting action taken about HEUSINGER should call on our unions and should ask Mr. MEANY to protest this appointment. We should assert our voices within the unions to see that this does not happen.

b6
b7C

The next speaker was [] who is the Secretary of the Jewish Cultural Club. This person spoke entirely in Jewish or Polish dialogue.

The next speaker was introduced as a writer, poet and novelist, who is the author of "One Foot in America." He was announced as [] (ph). His conversation told of his presence at the anniversary meeting of former prisoners at Auschwitz and Buchenwald. He said that every speaker who talked used the slogan, "Never Again Auschwitz." He read two poems in Jewish or Polish.

b6
b7C

The next speaker was Mr. [] who was introduced as one of those responsible for this meeting tonight. Mr. [] read a statement to the audience which was received from retired Brigadier General H.B. HESLER (ph) of Chapel Hill, North Carolina, U.S. Army. In this statement, Mr. HESLER said

b6
b7C

NY 100-140660

"It seems that HEUSINGER's appointment is symptomatic of current Berlin problems. It would be wise to withdraw the support of HEUSINGER or any other former Nazi leader."

Continuing, Mr. [] said that at this very moment in San Francisco he understands that students are picketing the German Embassy to oppose the appointment of General HEUSINGER. He said that this committee (American Federation of Polish Jews) wrote to nine major Jewish groups for support to oppose the appointment of HEUSINGER and the only group not to respond was the Jewish War Veterans. He said we will not and we will never keep silent about such doings. He continued by stating that HEUSINGER should be punished by not being promoted to NATO. [] remarked that over 15,000 leaflets were distributed for this meeting tonight in addition to many wires being sent, ads put in newspapers and magazines, and wires to President EISENHOWER and President-Elect KENNEDY for help in this matter. He stated this was done before the election. One of Mr. [] concluding statements was that the remilitarization of Germany should be halted.

b6
b7C

At this time, he approached the audience for donations from the floor in order to get this movement started. Donations started with \$10.00 and eventually worked down to \$1.00 and change. Plates were passed through the aisles for any change given.

The next speaker was Mr. [], who was announced to be the president of the Colonial Club. Mr. [] said that the appointment of HEUSINGER is an insult to all Democratic Americans. He said that we must remove these high appointed officers to stop further anti-Semitism. We must also stop the rearmament of Germany and must remove people like SPEIDEL and HEUSINGER from NATO.

b6
b7C

Rabbi [] was the next speaker, who spoke entirely in Jewish for about 15 minutes.

The last speaker was Mr. [], who was introduced by Mr. FEDERMAN by saying that Mr. [] is working now to expose the Ku Klux Klan and any Nazi underground movement. Mr. [] read statements of atrocities by eye witnesses at the Nurenburg (ph) trials. He pointed out how

b6
b7C

NY 100-140660

HEUSINGER was the Director of the OKW who was in charge of the slayings. Mr. [] said that HITLER awarded Colonel HEUSINGER a special medal for killing those officers who tried to kill HITLER but only ended up wounding him. Mr. [] said that he was told by someone in Washington that HEUSINGER was one of those who tried to kill HITLER. He continued by stating that HITLER even awarded HEUSINGER a special silver medal called 20th July. [] said that HEUSINGER should have been hanged after the Nurenburg trials as were some of the others. He went on to say that big bosses and big corporations are responsible for putting HEUSINGER in NATO's top job and that we must fight like the brave Negroes in their fight for freedom.

b6
b7C

Mr. [] remarked that at a recent union meeting in Pennsylvania that a union delegate remarked on the picketing of the film, "Exodus" by the Nazi party. He said that the Nazi party will find 12 large and impressive pickets in front of the film, "Exodus" when they show up tomorrow night. The evening ended by the reading of three resolutions which were passed upon by the body protesting HEUSINGER being appointed Chairman of NATO and asking Mr. KENNEDY to withdraw his support for the HEUSINGER appointment. One of the resolutions was sent to Mr. MEANY, the head of the union, one to Mr. KENNEDY and one to Mr. FINLETTER.

Re: American Nazi Party
Racial Matters

On February 20, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that on February 15, 1961, he had been in telephonic contact with George Lincoln Rockwell, leader of the American Nazi Party (ANP).

b6
b7C

Rockwell stated that in view of the fact that the Appellate Division of the New York State Supreme Court had recently ruled in favor of Rockwell being granted a permit to speak in a park in New York City, he, Rockwell, intended to seek a permit to speak in New York City on or about May 1, 1961.

Rockwell stated that he was aware of an arrest warrant for him currently outstanding in New York City on a charge of disorderly conduct arising out of the "riot" which had occurred in the rotunda of the New York State Supreme Court building when he appeared there on June 22, 1960.

Rockwell stated that he was anxious "to have this warrant vacated" and was attempting to secure the services of a lawyer in New York City for this purpose but had been unsuccessful to date.

Rockwell stated however that he would get rid of this warrant before he ever attempted to speak in New York City on or about May 1, 1961, even if it meant that he would be sentenced to jail on the disorderly conduct charge mentioned previously.

Rockwell advised that he wanted to be sure that he had no arrest warrant awaiting him if and when he comes to New York City on or about May 1, 1961, to speak, and therefore was anxious to see that the warrant was vacated "one way or another".

Rockwell stated that whatever his plans are for a future appearance in New York City he would be certain to notify the New York City Police Department before he made any appearance.

The readers were encouraged to send their donations to "Muhammad's Temple of Islam, Public Relations Department, Post Office 5470, Chicago, Ill." or to "Muhammad's Center Fund, 5335 South Greenwood Avenue, P.O. Concerning DANIEL BURROS, Box 121, S. Ozone Park Sta., Jamaica 20, NY, it is noted that he is identical with DANIEL BURROS, who in 1960 resided at 111-58 119th St., Jamaica, N.Y.

[redacted] advised that after reading this article he felt he had to join ROCKWELL in the fight against Communism and left his home in Kansas City, Missouri on December 1, 1960 arriving in Arlington, Virginia on December 3, 1960. [] advised that he was one of a group of American Nazi Party members who drove in a rented truck from Arlington, Virginia to the Massachusetts State line. Their object was to picket the Boston showing of the new film, "Exodus". They were stopped at the border by the Massachusetts State Police and advised not to enter Boston, because it was felt that they would suffer physical harm from the large crowds of anti-Nazis in the vicinity of the theatre where the picture was showing. [] advised that the truck load of American Nazi Party members eventually returned to Arlington, Virginia.

b6

He learned that on the day that ROCKWELL returned from Boston, ROCKWELL received a long-distance telephone call from the Nazi Party in Australia congratulating him for his efforts on the part of Nazism throughout the world.

Re Washington Field Office teletypes dated February 10, 1961; and Detroit airtel and letterhead memorandum dated February 13, 1961.

Referenced Washington Field Office teletypes advised that four storm troopers of the American Nazi Party (ANP) were planning to drive to Detroit, Michigan, during the week end of February 11-12, 1961, to picket the movie "Exodus" which is currently being showed at the Mercury Theater, Detroit. These troopers were identified as [redacted] of New York City, [redacted] of New Jersey, and [redacted] of New York City.

One of the referenced teletypes advised that ROCKWELL had changed his mind about coming to Detroit, but the above four storm troopers would make the trip. [] stated that at approximately 7:30 P.M. on February 11, 1961, a 1960 Dodge, bearing Michigan license JR 5151, with three occupants stopped in front of the Mercury Theater, at which time one of the occupants advised that they were checking to make certain that there was adequate police protection on the scene. These men identified themselves as []

b6
b7C

[] and who claimed to reside in Arlington, Virginia; [] who claimed to reside at [] Washington, D. C.; and [] Detroit.

[] stated that a subsequent check of this Dodge automobile, reflects it to be owned by the Hertz Car Rental at Grand Rapids, Michigan.

b6
b7C

[] prior to August 16, 1960, had been employed by Capital Airlines at Washington, D. C., and had been active in the ANP in the Washington, D. C. area. Upon his dismissal from Capital Airlines, he returned to Grand Rapids, Michigan, where he has lived since. (Reference Detroit letter to Washington Field Office, cc Richmond, dated October 28, 1960.)

Information concerning [] is set out in Detroit letter to Bureau, cc Washington Field Office and Richmond, dated December 27, 1960, which contains the same title as this letter.

Detroit Indices contain no information identifiable with the above []

[] stated that the above 1960 Dodge then drove away from the theater under surveillance of the Detroit Police Department, and shortly thereafter, stopped to permit one of occupants to make a phone call. He stated that he assumed that this call was made to [] to advise him that adequate police protection was on hand. Following the telephone call, this car was observed by surveilling police officers driving slowly and apparently aimlessly about until after the picketing had ceased. [] stated that the surveilling police officers were of the opinion that the occupants of this car were not lost but were deliberately driving around killing time, so that they would not have to participate in the picketing.

b6
b7C

DE 157-2

Detective [] advised at 8:00 P.M. on February 11, 1961, that during the afternoon of February 11, 1961, the 1957 Ford, bearing Virginia license 211 008, arrived at the home of [] Farmington, Michigan.

b6
b7C

At approximately 8:00 P.M., [] driving his 1953, dark green Pontiac, arrived at the Mercury Theater with [] at which time a conference was held with the Detroit Police Officials to decide on the ground rules for the picketing. The picketers were advised that they would not be permitted to wear their swastika arm bands and would be required to picket in a barricaded area across the street from the Mercury Theater. A number of uniformed police officers were placed around the picket area and the picketers were required to remain in the barricaded area and no other individuals were permitted in the immediate vicinity of the picketers. Loitering was not permitted anywhere in the general area. [] and [] were the only ones who did any picketing, which was discontinued without incident at 8:45 P.M. on February 11, 1961.

b6
b7C

During the picketing, [] walked about in the general area and each time they stopped, the police forced them to continue moving. [] had advised [] that he was the picketing captain and because of this assignment, he did not have to picket. [] stated that after the picketing had ceased, he asked [] why the three other men who were riding in the 1960 Dodge, had not picketed, to which [] replied that they had gotten lost and could not find their way back to the theater.

b6
b7C

[], Anti Defamation League, B'nai-B'rith, Detroit, had made arrangements with [] a commercial photographer, to take pictures of the picketers. Re: American Nazi Party

On February 27, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that he had been informed by Mr. [redacted] Office of Corporation Counsel of the City of New York that an action has been instituted by the City of New York, in the Court of Appeals of New York State to overrule the decision of the Appellate Division granting George Lincoln Rockwell, leader of the American Nazi Party, the right to apply for a permit to speak in a park in New York City.

b6
b7C

Mr. [redacted] stated that the above action will most likely not be heard in the Court of Appeals before May 1, 1961, the date on which Rockwell intended to speak in New York City.

b6
b7C

Mr. [redacted] stated that the institution of this action by the City of New York automatically prohibits Rockwell from being granted a permit to speak in New York City, until such time as the question is resolved.

Mr. [redacted] further advised that even if the City of New York was unsuccessful in this action in the Court of Appeals of New York State, it would be carried to the Supreme Court of the United States in an effort to prevent Rockwell from appearing in New York City at any future date for the purpose of speaking in a public park.

b6
b7C

Mr. [redacted] stated that in any event, it would not be, in his opinion, until some time in 1962, that the question of Rockwell's right to speak in New York City would be resolved.

On March 10, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that Lincoln Rockwell, leader of the American Nazi Party, 928 North Randolph Street, Arlington, Virginia, had addressed a letter dated February 24, 1961, to the then Police Commissioner of the City of New York, Stephen P. Kennedy.

b6
b7C

In his letter Rockwell stated that he wired a preliminary request to Commissioner of Parks, Mr. Newbold Morris, for the use of Union Square, New York City, at 10:00 a.m. on May 1, 1961, for a speech and that he, Rockwell, would soon forward to Mr. Morris a completed application blank for a permit to use Union Square, New York City, on May 1, 1961.

Rockwell requested that Commissioner Kennedy advise him if there were any outstanding warrants against him, Rockwell, in New York so that he might dispose of these warrants prior to his appearance in New York to make a speech.

Detective [redacted] stated that no reply had yet been sent to Rockwell as a result of this letter.

b6
b7C

Detective [redacted] further advised that it would not be possible for Rockwell to speak in New York City on May 1, 1961, since the 14th Street Association, an association of legitimate businessmen, had already applied for and received a permit for the use of Union Square, New York City, on May 1, 1961, from 10:00 a.m. to 9:00 p.m.

On 2/27/61, [] made available for Photostats a copy of a booklet entitled "Smastika Smearbung" by JAMES K. WARNER, former National Secretary of captioned party, who now operates the American National Book Store, P.O. Box 423, Wilkes-Barre, Penna. b7D

According to WARNER, his purpose in writing this booklet, is to discredit GEORGE LINCOLN ROCKWELL, leader of captioned party, and to expose "how he (ROCKWELL) operates" and "how he (ROCKWELL) is trying to discredit and smear all those who are the top fighters against Communism - by labeling them Nazis or worse!"

It is noted that page 15 of the above mentioned booklet contains a reference to the Fighting American Nationalists which, according to WARNER, was organized by ROCKWELL for the purpose of raising "money from the 'SISSEY' Nazis who didn't have the 'courage' to contact 'ROCKWELL,' and 'to steal' members from other organizations."

A review of NYO files on the Fighting American Nationalists (FAN) indicates that Bulet to Chicago dated 2/15/61, captioned as above, stated that NYO is being considered office of origin on the FAN since most activity of FAN has been centered in NYC.

It is to be noted that FAN activity in NYC has consisted mainly of picketing the motion picture "EXODUS" because of the use of an identified CP member in this motion picture, that is, the use of DALTON TRUMBO as writer of the motion picture "EXODUS."

37th Anniversary of The Worker newspaper and also the celebration of the 80th birthday of WILLIAM Z. FOSTER held 3/3/61 Carnegie Hall @ 7:30. Admission \$1:00.

The following people were on the platform:

GUS HALL, BENJAMIN DAVIS, [REDACTED]
[REDACTED], J. STACHEL, J. E. JACKSON, LOUIS WEINSTOCK.

b6
b7c

J. E. JACKSON was Master of Ceremonies, read a series of telegrams and good wishes from all over the world, some in tribute to FOSTER and some in tribute to the Worker.

J. STACKEL, discussed the question of unemployment and mentioned how discriminated against the Negro was inasmuch as they are for a large amount, most unemployed. He also mentioned that the appointment of MERRIWEATHER was the biggest mistake this administration made in as much as MERRIWEATHER is a staunch Dixiecrat.

BEN DAVIS also discussed the U. N. demonstration, also discrimination not only in the south but all over. A tribute was paid to LUMUMBA by DAVIS.

GUS HALL said the current administration had made a mistake in appointing MERRIWEATHER also paid tribute to FOSTER by calling a "Tower of Strength".

LOUIS WEINSTOCK attacked the meeting of the GEORGE ROCKWELL "American Nazi Party" in Union Square, and read from a pamphlet being distributed that ROCKWELL advocates the "eliminating of all Jews in the U.S. with Marxist ideas" and "sending of the negro back to Africa leaving America for white people". He mentioned that nothing had been done by the F. B. I. to combat this menace, and criticized the fact that the Communist Party had to wait to have the approval of Union Square for May Day, where a man like ROCKWELL is given the square to advocate murder.

NY 97-169

At this point a collection was taken. WEINSTOCK said there was \$7000. collected before his appeal to those in the hall.

A Philadelphia Youth Chorus sang several songs.

[redacted] spoke about the socialist country Russia and how FOSTER since being treated there has the use of his right hand, and she said that was just the beginning. She mentioned that things are too lax here in the U. S. she asked that all in the hall get busy and interest the Youth of America in the socialist way. She said it was up to the folks in the hall to get the youth into the movement. She was greeted by a great ovation, and when her speech was finished she was greeted by cheers.

b6
b7C

The meeting ended by 10:55 P. M.

The hall was decorated in banners stating "Protest the Murder of Lumumba" "Racists Out".

The attending committee workers and friends were: [redacted] (who also participated in tribute to FOSTER in the beginning of meeting.) He is [redacted] son. [redacted] [redacted]? (member of Sobell committee) [redacted]? (active in Intercultural meeting also a former Union executive) 5'5" - 225 lbs., black hair, brown eyes, smokes cigars, has been active in communist affairs for about 20-30 years (overheard last remark).

Re: American Nazi Party Racial
Matters

On March 14, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that on the above date he had been in telephonic contact with George Lincoln Rockwell leader of the American Nazi Party (ANP).

In reply to Rockwell's letter, addressed to the Police Commissioner of New York City, Detective Ulanowicz advised Rockwell that there is currently outstanding in New York City, a warrant for the arrest of Rockwell on a disorderly conduct charge.

b6
b7c

Rockwell advised [redacted] that he has hired a lawyer in an attempt to vacate this warrant without the necessity of Rockwell appearing in New York City in an attempt to vacate this warrant.

Rockwell stated that he had written to the American Civil Liberties Union (ACLU) in New York City, an organization which has previously defended his right to speak in New York City, to determine if the ACLU intends to defend Rockwell in the action which was brought by the City of New York in the Court of Appeals to rescind the court order allowing Rockwell to file for a permit to speak in a park in New York City.

Rockwell further advised that he had not communicated further with Mr. Melbauld Morris, Commissioner of Parks, New York City, in an attempt to obtain a permit to speak in New York City, since he, Rockwell, feels that pending court action will not be settled until sometime early in 1962.

Rockwell stated that if he should have any change in his plans, he would immediately advise the New York City Police Department.

Re: American Nazi Party
Racial Matters

On March 31, 1961, a source, who has furnished reliable information in the past, advised that Fridtjof-Karla Publications, Sycamore Hollow, Old Moon Road, Route 1, Box 188, Michigan City, Indiana, had issued a press release signed by Russell F. Knutson, Publisher, Fridtjof-Karla Press, which announced that a new book, "My Struggle", by Commander Lincoln Rockwell, founder of the American Nazi Party (ANP), was now available for \$6.75 a copy or \$4 per copy in a special ~~pre~~ publication offer, if five or more copies were ordered.

The press release describes "My Struggle" as an "intimate autobiography with the total inside story of America's undisputed No. 1 villain".

The source further advised that James H. Madole, leader of the National Renaissance Party (NRP), was thinking of inviting Rockwell to address a meeting of the NRP, but as yet has not been able to work out a plan or to decide whether to do it. Madole reportedly commented that he must have publicity and therefore, wishes to invite Rockwell to an NRP meeting in order "to attract Nationalists not Jews".

The source stated he could furnish no additional information at this time concerning Madole's projected invitation to Rockwell.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI, and is loaned to your agency; it and its contents are not to be distributed outside your agency.

APPENDIX

NATIONAL RENAISSANCE PARTY (NRP)

On May 5, 1960, a source, who has furnished reliable information in the past, stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further advised that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

NATIONAL SOCIALIST BULLETIN SUPPLEMENT

NAZIS DEFEND HOUSE COMMITTEE DURING RED ATTACK!

WASHINGTON, D.C. (1/2/61): A group of New York communist-Jews, led by SANDRA ROSENBLUM and JAMES ROOSEVELT, were shipped down to D.C. in busses to picket against the HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES. When they arrived they found the area well fortified by 25 husky NAZI Storm Troopers, picketing in support of the governmental agency. Police assigned the Jews across the street. For one hour the normally cold 40 degree temperature boiled over with tension as NAZIS and commie Jews glared across the street at each other. There's no telling what might have happened were it not for numerous police details.

The commies picketed for about one hour, and left. The well-disciplined NAZI Troopers demonstrated for 3 hours, then fell in behind COMMANDER ROCKWELL and a huge Swastika banner and marched through the main streets of the nation's capital to Judiciary Park at 5th & Streets, where THE COMMANDER and LT. JOHN FALLER gave riot-roaring speeches in favor of the HOUSE COMMITTEE.

NAZIS SEEK HOUSE COMMITTEE SUPPORT FROM SENATE!

WASHINGTON, D.C. (1/3/61): Although the Senate has no power over House committees, rumors have been flying to the effect of certain Senators giving moral support of moves aimed at abolishing the HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES. In order to nip in the bud any such scheme, four NAZI Storm Troopers, led by CAPT. ROGER C. FOSS, made the rounds of Senators from their home states. Troopers visited several Senators' offices including Senators: KRATING, whose secretary was attentive, SMITHERS and HUMPHREY. Also visited was SEN. JACOB JAVITS, New York Jew, who is believed to have left via a rear exit when one of the Troopers vowed to stay until he was sure the Senator was genuinely 'out'.

OUR MEN SMASH RED RING AS COMMIES FLEE!

CHICAGO, ILL. (12/31/60): Our Fighting men took to the streets New Year's Eve and legally smashed a commie-type youth meeting of card carrying members. The meeting headed by ALVA BUXENBAUM and D. RUBIN, was called to organize youth into a new nation-wide communistic race-mixing network. Our men immediately went to work to stop it. Over 50 enraged citizens were organized into a protest march, while 30 others wearing armbands picketed the meeting place. This highly organized protest action drove the Reds into a state of panic. Only 25 of their number remained at the meeting. Others fled to the backroom of a nearby Turkish bath and attempted to hand out mimeographed propaganda.

RIGHT WING NEWS: FIGHTING AMERICAN NATIONALISTS (FAN)

The New York City chapter of the FIGHTING AMERICAN NATIONALISTS held a meeting Dec. 3. Speakers included: ERNEST ELMHURST, author of "WORLD HOAX", GEZA DORDA, Editor of "FREE HUNGARIANS: and CHALES SMITH, Editor of "TRUTH SEEKER", 38 Park Row, NYC. Most of the 20 present agreed to picket "EXODUS", which picketing was a success, as was a 3 night picketing of race-mixing Kosher Koon SAMMY DAVIS, JR., who appearing at the Copacabana Club.

CHICAGO FAN. The Chicago FAN unit has been giving the Reds a rough time. MALCOLM LAMBERT FAN Director there, has a sizeable unit going and recently was responsible for legally breaking up a commie meeting by putting 30 arm band wearing pickets in the street against the Reds.

IMPORTANT NOTE TO ALL NAZIS! COMMANDER ROCKWELL has completed a 350 page autobiography. Build up a demand for THE COMMANDER'S book!

C O P Y

AMERICAN NAZI PARTY
P. O. Box 1381
Arlington, Va.

January 12, 1961

Dear Fellow Jew Fighters,

THE COMMANDER has read your letter of January 9, and thanks you for it. THE PARTY is now going through a period of growth so fantastically rapid, that it has required the addition of several new departments. As always, with expansion comes a brief period of inconvenience. We appreciate your patience, and know you realize that in the future we will be able to give you more prompt attention.

Until quite recently, I was running the unit in New York, (FIGHTING AMERICAN NATIONALISTS) where we picketed KHRUSHCHEV, KENNEDY, "EXODUS", and the race-mixing kosher koon SAMMY DAVIS, JR. But because of the terrific rate of growth of the NAZI PARTY, COMMANDER ROCKWELL called me down to work at the National Headquarters. I'll be assisting CAPT. [] in organizing all the new units that are springing up everywhere. Everyday there is more FAN and NAZI units joining the fold.

b6
b7C

Enclosed find a BULLETIN SUPPLEMENT, which will bring you up to date. Soon we expect to issue it in a mimeograph form. Whenever you have activities, let us know and we'll mention it in the SUPPLEMENT, which goes to our most active leaders.

CAPT. [] is going to personally take care of your order and you should receive your shipment, as well as a letter from the CAPTAIN, very shortly.

The battle which we must fight to preserve our race and nation is going to be rugged. Only the toughest will last. Our enemy is strong, but he is also vulnerable. To be successful, which means victorious, we must attack our enemy's weak spot.

As you lads must know, the one thing the communist-Jews fear above all else is ORGANIZATION. When White men join together in common cause against the Jews and their wretched communism, the Jews quiver like trapped weasels. They know well of the fanatical fighting spirit and determination that inevitably follow the UNITED White man.

If a little group springs up in one spot, just like a stray calf away from the herd, the Jews may pounce and crush it. But when a vast network operates simultaneously across a nation, or the world (as WUFENS), the Jews become paralyzed with fear. The Jews are driven to the point of helplessness when confronted with simultaneous coordinated ORGANIZATION!

ON SUNDAY AFTERNOON, JANUARY 15, in Washington, D.C., Baltimore, New York, Boston, Chicago, Minneapolis, Los Angeles, Charlotte, N.C., Winter Haven, Fla., Lyndhurst, N.J., Globe, Ariz., and other towns, WHITE MEN will take to the streets in a legal rebellion so simultaneous and coordinated that it will surpass anything ever attempted on this continent.

This demonstration in the form of ricket-lines, wherever "EXODUS" is showing or will be showing, is so uncannily total that even in areas where "EXODUS" is not currently playing, white men will ricket the local movie theater or City Hall to keep EXODUS out of their clean communities.

Vancouver is a key area. Other than being an historic region in the development of this continent, a demonstration there draws particular emphasis to the most important aspect of our movement - THE WORLD UNION!

The importance of some kind of an anti-EXODUS
demonstration in Vancouver this SUNDAY, JANUARY 15,
cannot be overstressed.

That's why the emphasis is not necessarily on how many pickets in each city, but on how many cities in the coordinated effort. Once the demonstrations reach nation-wide proportion, the next step is INVESTIGATIONAL proportions!

You soldiers of National Socialism have in your hands the tremendous power of showing White men the world over the beginning of a movement of strength unknown the white man in 2000 years.

~~XXXXXXXXXXXXXXXXXXXX~~

Picketing is perfectly legal. You can picket anyone at anytime for any reason. However, even though no one has the legal right to stop you from picketing, we advise our men to always obey the police. If they deny us of our rights, we prefer to fight them in the courts. But if you tell them that you know your rights and the law, and can't be bluffed, they won't try any funny business with you. And you may find that most police are actually sympathetic (secretly) to your cause.

You no doubt have friends or racial comrades that you can round up to help you picket. But if for some reason you can't locate any, and are forced to picket yourselves, that's OK. Many of our men have even picketed singelly, all alone.

What usually happens when only one or 2 men picket is that the other guys, or citizens of the town, get wind of it and look up to the pickets as LEADERS. Once, in New York, I picketed SAMMY DAVIS, Jr. for 2 hours by myself. The next day my phone was buzzing with new recruits.

On the picketing, after you make up a couple of signs, and are prepared to walk up and down in front of the theatre or City Hall, we strongly urge that you go under the organization name of FIGHTING AMERICAN NATIONALISTS; FAN for short. The "AMERICAN" can easily represent "NORTH AMERICAN". It is a very large (by that I mean all the members keep active picketing etc) organization (mostly USA, but a few Canadian groups are thinking of switching to become FAN), composed mostly of young guys. I was running it in New York and I'm 22. Most of our guys were around the same age, some younger. The same is true of most of the FAN units all over.

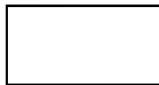

Enclosed please find a few sheets of FAN Stationary that you can use for recruiting. We'll see that you get more soon. You can use your home address as the local FAN Headquarters. FAN is opposed to mixing the Black & White races, or any races, and as a solution proposes sending the Negroes back to Africa. FAN is not openly against the Jews. So for the time being try not to attack the Jews openly on your picket signs or at any group meetings.

Again, it is so urgent to the progress of WUFENS that you Party members stage some kind of demonstration against EXODUS (legal) this SUNDAY AFTERNOON, JANUARY 15, - even if EXODUS is not in town.

You both have potentially a great future ahead in WUFENS. Try and let us here from you as soon as possible. Good luck on "OPERATION X" this SUNDAY, and with National Socialist greetings -

SIEG HEIL!

Dear Sir,

Enclosed you will find some hate literature which I have been receiving in the mail. This is the third time in as many months that I have been the recipient of such matter. I don't know how I got on the mailing list of this organization, since its views are completely incompatible with my religious and political beliefs. It is my conviction that the matter should be brought to your attention.

Thank you for what ever help you might give me in this regard.

Rockwell Is Fined in Boston
BOSTON, March 28 (AP)—George L. Rockwell, 42-year-old head of the American Nazi party, was fined \$10 today on a charge of staying in a hotel under a false name. A companion, Roy James, 23, who like Mr. Rockwell gave his home address as Arlington, Va., was convicted on the same charge, and was also fined \$10 by Municipal Judge Joseph Riley. Capt. Daniel I. Murphy, head of the State Police Division on subversion, testified Mr. Rockwell was registered as "Nathan Ginsberg" when he stayed at a Boston hotel the night of Jan. 14. Mr. James stayed with him.

ROCKWELL SPEECH SOUGHT FOR CITY

Inquiry Started on Permit
for Group's Park Rally

By GREG MACGREGOR

An apparently disguised attempt to provide a May Day speaking platform at Washington Square for George Lincoln Rockwell, the leader of the American Nazi party, was disclosed here yesterday.

An organization listing itself as "United Religions for a Better World" said that it had been granted a Department of Parks permit last month for a rally and speeches next Monday from 10 A. M. to noon.

Park Department officials confirmed yesterday that a permit had been issued to Sidney Lansing, of 22 Green Street, Franklin, N. J., who represented himself as head of the religious group.

They said, however, that Mr. Lansing had stated at the time of the application that his group was opposed to the Nazi movement and intended to speak against it at the rally.

But in a mimeographed announcement yesterday, Mr. Lansing announced that the permit had been obtained to provide a platform for the American Nazi leader.

Past Struggle Cited

"Some time back, Commander George Rockwell became involved with the City of New York in a struggle over his right to hold a speech and rally on May Day at 10 A. M.," the announcement said.

"Proudly, I can say that he is going to get it because of the permit I hold. * * * One thing is sure, New York is going to hear about the goals of Commander Rockwell."

Mr. Rockwell, when informed of the permit and announcement at offices of the American Nazi party, as listed in the Arlington, Va., telephone directory, denied any knowledge of either Mr. Lansing or the religious group he claimed to represent.

He also said he had not been approached by anyone to speak here on May Day.

"I do not know of a Mr. Lansing nor of an organization by that name, but if I am invited to speak in Washington Square on May Day and the permit is legal I'll be there," he said.

Answers Refused

Mr. Lansing refused to answer any questions about his announcement and would say only, "I'm going to be there Monday," in reference to the planned meeting. He said he had been unsuccessful in an effort to place paid announcements of the meeting in New York newspapers and did not wish to talk with any of their representatives.

After being informed of the announcement by Mr. Lansing, Park Department officials said that they would get in touch with the Police Department and that further investigations would be made today. Fraudulent or deceptive applications for permits to speak or rally in public are subject to revocation.

Efforts last year by Mr. Rockwell to speak at a July 4 rally in Union Square brought a violent controversy. Mayor Wagner termed him "a half-penny Hitler," and a state Supreme Court justice held that the constitutional right of free speech could not be invoked for advocates of extreme violence.

Issue Before Courts

A representative of the American Civil Liberties Union said yesterday that Mr. Rockwell's right to speak in New York was still being argued in the courts.

The Public Awareness Society, which acted against earlier efforts by Mr. Rockwell to speak here, said yesterday through its president, Harry Sadow, that it would seek a cancellation of the new permit.

Another May Day rally permit for Washington Square was approved yesterday by Park Commissioner Newbold Morris for an organization calling itself the 1961 Labor and People's Committee for May Day.

Permission was granted to hold a rally for an expected total of 7,000 persons in the south central portion of the park from 4 P. M. to 8 P. M. Monday. The police had objected to the use of loudspeakers in the southeast corner of the park.

The annual May Day observance was forced out of Union Square several years ago by all-day rallies sponsored by the Fourteenth Street Businessmen's Association, which regards the People's Committee as a left-wing group.

The 4/25/61 issue of "The New York Times" carried an article entitled "Rockwell Speech Sought for City" which related that one, SIDNEY LANSING, 22 Green Street, Franklin, New Jersey, who represented himself as the head of an organization called the United Religions for a Better World had been granted a permit by the Department of Parks, NYC, for the use of Washington Square, NYC, on 5/1/61 from 10:00 AM to Noon.

The newspaper article further related that LANSING had obtained the permit so that GEORGE LINCOLN ROCKWELL, leader of captioned party, would have a platform from which to speak on 5/1/61 in NYC.

On 4/25/61, Detective [redacted] Bureau of Special Services, NYC Police Department, advised SA [redacted] that he had been in contact with [redacted] and [redacted] informed him that he had no intention of extending an invitation to ROCKWELL to speak in Washington Square, NYC on 5/1/61. [redacted] further advised that when he, [redacted], applied for a permit for the use of Washington Square, he had no intention of inviting ROCKWELL to speak or appear.

This has reference to your complaint concerning an objectionable letter sent to [REDACTED] posted at Brooklyn, N.Y., sender unknown.

The letter has been carefully perused but is not such as would constitute a violation of the postal statutes under current postal laws, particularly since sent under cover of a sealed envelope with nothing objectionable appearing on the outside thereof.

Since the matter may be a subversive activity for the purpose of stirring up animosity between persons of Italian extraction and those of the Jewish Faith, we are taking the liberty of forwarding the letter to the Special Agent in Charge, Federal Bureau of Investigation, 201 East 69th Street, New York 21, N.Y., for his consideration as to whether the matter comes within his investigative jurisdiction.

We appreciate your fine interest in bringing the mailing to notice.

Sincerely yours,

J M Graham
Postal Inspector in Charge.

Immediately before the staff meeting began, CLARENCE HATHAWAY informed PHIL BART that last week [] and [] had called all Advance people from the July 26 Movement Office and had asked them to take part in the Washington trip, all expenses were being paid.

b6
b7C

BART proposed that they call [] into the office officially to discuss his work. BART said that they should take this entire matter up officially including the Saturday trip.

Subsequently, [] asked if CLARENCE had seen the article in the "Times" concerning GEORGE ROCKWELL (which reported in error that ROCKWELL would speak at Washington Square on May 1, 1961). CLARENCE replied he had. [] continued that the Party's permit for May Day runs from 4:00 p.m. to 8:00 p.m. The authorities can turn down the Party's request for a sound truck because of the immediate proximity of NYU Law School to the area assigned for the rally. [] said that was only a technicality which she believed could be effective.

b6
b7C

The initial order of business at the staff meeting was a report by [] on the May Day rally situation. [] explained to the staff the basis for the denial of a permit for them to use a sound truck because of the rally area being within 500 feet of a school.

b6
b7C

The staff then discussed the right of GEORGE ROCKWELL to have a permit to speak at Washington Square on May 1. [] thinks that they should conduct immediately an all out struggle against ROCKWELL's right to speak. BETTY GANNETT stated that she agreed with []. GANNETT pointed out that a fraudulent method has been employed to get ROCKWELL's permit to speak and that they should expose this fraud simultaneously in the fight against ROCKWELL's right to speak.

b6
b7C

NY 100-128814

EVELYN WIENER agreed with all that had been said. [] continued that it was going to be harder to get rid of ROCKWELL than to get the sound permit. He suggested setting up a committee in the staff to take emergency steps to mobilize forces and launch a campaign.

b6
b7C

[] continued her report with a description of how the Party leaflets concerning the May Day celebration were being distributed. [] then took up the expenses connected with the May Day celebration and the effort to raise money to meet their bills. She said that she could see them raising \$500.00 from contributions and from the affair. They need \$500.00 now. LOUIS WEINSTOCK proposed that [] be assigned to work full time with the May Day Committee.

b6
b7C

WIENER interrupted the discussion on May Day to report that the New York District CP was in a very grave financial crisis. They are \$5,203.00 behind on the Sustaining Fund. They must meet a \$750.00 bill for taxes this week. There is also their debt to the National Office. May Day costs will be \$500.00 and \$1200.00 and that is also needed by the first of the month. In addition, there is the matter of rent, etc. WIENER said that in view of the urgency of May Day, she expected about a \$1000.00 debt. She feels there is the ability to borrow and raise \$2500.00 this week. WIENER said she had brought up this question because [] had said he would raise \$1000.00 this week but if [] goes full time on May Day, he will not be able to do both jobs. WIENER thought that perhaps they could get together a few leaders and ask them for loans and that way make up the difference. She mentioned that she knew [] planned to raise it very sharply at the Industrial Council meeting which will be held on 4/26/61, and pointed out that industry is \$2188.00 behind on their Sustaining Fund.

b6
b7C

NY 100-128814

BETTY GANNETT observed there is a general feeling that somehow they will get along. She said that she now hears that they are raising funds for "The Worker" and will finish that up first. GANNETT said that she did not know if the comrades realize that unless someone goes out practically full time seeing all sorts of people, they are not going to get any money.

PHIL BART described a meeting to the staff which had been held the past week at which had been taken up how to set up a drive to increase the circulation of "The Worker". They discussed at that meeting, how to involve once again the thousands of people who once read the paper. It was proposed that there should be a drive mainly to reach these people who were former subscribers to get them to subscribe or to organize bundles where subscriptions can not be obtained. It was also suggested that an employed worker could speak to an unemployed worker whom he wanted to get as a reader and then buy the paper for him. It was also proposed to establish a national press day with the suggestion it be held on Sunday, June 3rd. BART said "The Worker" would announce this that week. It was proposed that on June 10th, a press conference be held culminating all of these things that had been held and projecting a plan for the year.

LOUIS WEINSTOCK said that he was in favor of a city-wide organization and calling a city-wide conference but the comrades are evidently opposed to it.

WIENER thinks that they should have city-wide press conferences which would involve the Party's top leaders who would appeal to the entire party. They could have it in the second week in May and set real goals for June 3rd for new subscriptions and give a real boost to the bundle orders. WIENER mentioned that only about ten per cent of the Party is involved in any kind of press work and that they should increase this percentage.

NY 100-128814

BETTY GANNETT stated that the leadership is spending more time on "The Worker" campaign but is not getting results.

HATHAWAY said that he thinks that they have got to change their approach, for example, regarding the June 10th conference, he does not think it is important whether it is organized on an eastern seaboard basis, a midwest basis or a national basis. The important thing is to make attendance at the conference in the nature of a reward to the people who have actually achieved results in the building of the paper, but if it became a conference in which the different districts just sent someone to listen to speeches on the importance of building the paper, he did not think it would accomplish much.

The staff continued discussing the relative merits of holding a press conference. WIENER said that it would help the comrades if they could see that the top political leadership of the Party is with them. However, the main thing would be to get a deep attendance. HATHAWAY pointed out that the paper itself has not conducted a campaign within itself to build it. WIENER suggested that they could inform the clubs perhaps that the national leadership in New York is ready to come to club meetings and to discuss with the members, the building of "The Worker". The club would be urged to send in its invitation. She wants to create an atmosphere of the whole

national leadership working on the press. BART observed that a letter to the Party takes a long time to reach down to the club level and that the same effect could be better achieved by a letter in "The Worker" addressed to each member of the Party.

NY 100-128814

Concerning the Sustaining Fund, EVELYN WIENER said that she would see Manhattan and [redacted] would see Industry. She mentioned the Bronx is about \$357.00 behind and that she thought they could get \$300.00 plus from Manhattan. BETTY GANNETT said that Brooklyn will be able to get \$500.00. It was indicated that Queens and Nassau Counties are not keeping the State Office informed of their status regarding the Sustaining Fund.

b6
b7C

Following this the staff took up the matter of the commissions. BETTY GANNETT said that on the Trade Union Commission, she had:

CLARENCE

the girl

b6
b7C

GANNETT said that those are the names they have. [redacted] stated that the Trade Union Commission has been meeting every two weeks. He continued that he wanted to enlarge the commission to include:

the woman comrade from Amalgamated
[redacted] chairman of print group
who is Industrial Treasurer

NY 100-128814

[] said the commission has had three meetings. He believes that the above additions would make the commission more effective.

b6
b7C

CLARENCE HATHAWAY said that regarding [] that [] and he should speak to [] agreed.

BETTY GANNETT continued that the Negro Commission has had two meetings. The composition of this commission, however, is not a functioning one. On it are:

[]

two Trade Unionists

[]

b6
b7C

In addition to the above, GANNETT apparently used the blackboard to give two names of Negro Commission members to the staff. GANNETT said that she suggested they have a conference on Negro work. Also they have to have someone who can call the meetings or act as Secretary. GANNETT said that they have to set regular meetings and start this commission functioning.

GANNETT said that regarding the Political Action Commission, these are the names:

CLARENCE

[]

[] from Manhattan

b6
b7C

NY 100-128814

[redacted] from Nassau

[redacted] from the Bronx

GANNETT stated that they also had a number of names that have not gotten to the commission. These are:

b6
b7C

[redacted] from Brooklyn
[redacted] of the Liberal Party

GANNETT concluded that the next meeting of the Political Action Commission is tomorrow night (4/26/61).

HATHAWAY said the problem here is that no one is in contact with developments in Negro work or insurgent movements. Further, the following have not attended commission meetings:

WIENER said there are three key people from Manhattan and that they are very security conscious. One is a Negro and one in each of the important insurgent areas. GANNETT observed that one person had to be made responsible for a phase of the work throughout the city and meet with various groups. GANNETT said that they have to find one person to give leadership to the group. She thinks that they should keep the commission as it is but add trade union people and guarantee [redacted] (attends ?) because the Liberal Party is important. The commission should discuss this and select a leader.

b6
b7C

NY 100-128814

GANNETT stated that regarding the Youth Commission it has been functioning. It is composed of:

who has been out of town
The two club organizers

b6
b7C

GANNETT suggested that she review this commission with [redacted] and come in with recommendations. HATHAWAY said that they would arrange a meeting with [redacted] and discuss it.

BETTY GANNETT continued with the Cuban Commission. It is composed of:

CLARENCE

HATHAWAY observed that they had added another member and a youth to this commission, however, he could not recall the names. WIENER proposed that they add [redacted] who has been very active in the West Side Committee on Cuba. HATHAWAY said they have to have some commission members who are active in Fair Play, that they have ties with the 26th of July. He said that [redacted] is in a position to do work in the Vets [redacted]. CLARENCE then said that he had no objections to [redacted]. He also mentioned that the Cuban Commission is meeting that night. He also mentioned that there were two Latin Americans, [redacted] and one other, who were members of this commission.

b6
b7C

NY 100-128814

GANNETT continued with the School Commission. She said that this commission has been functioning but is going down in composition. A number of people who should be functioning are not. [] is the Chairman of it. [] was elected Secretary but has not attended any meetings. CLARENCE said that [] was at the first meeting.

b6
b7C

GANNETT continued that the woman from Brooklyn is functioning very well and that [] were at the last meeting. The one from Harlem has not been coming to meetings. There are about ten people who are commission members but only five or six come to meetings with no one from Harlem. GANNETT said they have to see if they can not strengthen that commission. WIENER pointed out that there are only three Negro women on it of whom one is []. WIENER said the third person is [] who has become active recently.

b6
b7C

BETTY GANNETT then took up the Housing Commission. WIENER commented that they had one attempt at a meeting but that a number of people refused to come to a hall. She thinks that they have four members recommended from Manhattan and one from Queens, also from Brooklyn and the Bronx. WIENER thinks they should have a few more people from each borough. GANNETT said they would have to take this commission up because it is extremely important.

On the Jewish Commission, GANNETT said they had made three efforts to hold meetings and the commission did not materialize. GANNETT said that she had met with [] and they had agreed they would organize conferences on Jewish work. She thinks that they will have to go through with a couple of these conferences. They have got to get a commission established. GANNETT said she thinks that this is her failure and she suggested that she get a hold of [] and see what can be worked out.

b6
b7C

NY 100-128814

Regarding the Peace Commission, GANNETT said she thinks that they have the problem of representation. Those they have down as members are:

CLARENCE

[redacted] (ph) from the Bronx
[redacted] from Nassau
[redacted] from Distributive
[redacted] from Amalgamated
[redacted] from Brooklyn
[redacted] (from Queens?)
[redacted] from Garment
[redacted] from Westchester
[redacted] (ph) from Manhattan

b6
b7C

GANNETT understands that [redacted] have never shown up at meetings. HATHAWAY said that [redacted] also has never been in and that she was a key person in this set up. [redacted] said they should call a State wide meeting as they have a number of people upstate who are in the peace movement.

b6
b7C

GANNETT said the Finance Commission is functioning, however, WIENER said that she wanted to tell them that the missing borough (on this commission) is Queens. The members of the Finance Commission were enumerated as follows, by GANNETT and WIENER:

[redacted] (ph)
[redacted] from Manhattan

b6
b7C

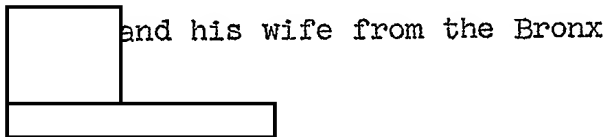

NY 100-128814

The Press Committee was described by GANNETT as consisting of:

The Literature Commission, GANNETT said has as its members:

b6
b7C

GANNETT mentioned that they have not resolved the question of a Women's Commission and that a number of people are raising that problem with them. She said that she had no ideas. She suggested that the following Tuesday they discuss the question of this commission and set it up.

The Puerto Rican Commission, GANNETT said has had two meetings. The next meeting is on May 6th. There are two very fine Puerto Rican comrades that are on it. In discussing the membership of this commission, GANNETT made use of the blackboard to conceal the names mentioned. GANNETT stated that she is insisting that they conduct their meeting in Spanish.

b6
b7C

HATHAWAY informed the staff that [REDACTED] without consulting anyone went up and started working in the July 26th Office and then began calling people from Advance. BETTY GANNETT said that she has no objection if

NY 100-128814

[] is used for that work but they should have been asked. [] agreed with GANNETT's statement. GANNETT continued that she did not like the paper having affairs that they would not even know about.

b6
b7c

HATHAWAY said that on the question of Cuba, no one is going to argue with them over the desire to do that work, however, they should be advised and aware of it.

According to the informant, the meeting then adjourned.

FROM : SA [REDACTED]

SUBJECT: AMERICAN NAZI PARTY

On May 8, 1961, at 9:28 a.m., [REDACTED] REA Express, 219 East 42nd Street, New York City, telephonically advised that a small crate had been located at the REA Express Pennsylvania Express Terminal, 39th Street and Northern Blvd., Queens, New York, on May 8, 1961, which had been shipped from [REDACTED] Tenafly, New Jersey, to the American Nazi Party, 928 North Randolph Street, Arlington, Virginia.

b6
b7C

This crate had one board loose and upon examination of the crate, as is the normal procedure where shipments are found broken, found that it contained parts of a shot-gun, minus the barrel. This crate weighed 6 pounds according to the weight when shipped and it now weighs 6 pounds which indicates that none of the crate's contents are missing.

b6
b7C

[REDACTED] stated that the crate would be brought to 219 East 42nd Street, New York City. — mv 6-7900-433

RACIAL MATTERS

In recent weeks, NYO has received a number of anonymous letters which are addressed to individuals of Italian extraction. These letters, all of which appear to contain identical handwriting, begin with the words "Die you Wop" and consist of language obviously intended to stir up animosity between persons of Italian and Jewish extraction. The letter ends with a solicitation of contributions for the American Nazi Party, Post Office Box 1381, Arlington, Virginia.

None of the persons to whom these letters have been addressed has been able to furnish any information as to the possible identity of the sender.

Because of the number and frequency of these letters, all of which have been postmarked Brooklyn, NY, it is felt by NYO that attempts should be made to identify the anonymous sender.

With this in mind, it is requested that ICs on Complaint Duty be issued the following instructions.

In the event, a person telephonically advises the NYO that he or she has received a letter as described above, it is requested that that person be instructed to not handle the letter and if necessary to handle it to do so with some implement other than his fingers. It is further requested that, if possible, arrangements be made with the receiver of the letter to make himself available so that a Special Agent of the NYO can secure from him a copy of his fingerprints for elimination purposes and fingerprints of any others who may have handled the letter.

It is intended that the letter together with copies of the elimination fingerprints will be transmitted to the FBI Identification Division so that the letter may receive processing in an attempt to identify the sender.

Rockwell Sends Dixie A 'Hate Bus'

Arlington, Va., May 22 (AP) —The American Nazi Party sent a "hate bus" south today in a protest against "communism and race-mixing."

George Lincoln Rockwell, the party head, said eight of his followers were aboard the bus and four others in a "command car" en route to New Orleans to picket the premiere of the movie "Exodus" and the new Orleans office of the NAACP. The group asked federal protection from "Jew and Negro hoodlums."

The private bus bore signs identifying it as "Lincoln Rockwell's Hate Bus" and proclaiming: "We do hate communism and race-mixing."

U. S. NAZI 'HATE BUS' TO TOUR THE SOUTH

Special to The New York Times.

ARLINGTON, Va., May 21—George Lincoln Rockwell, leader of the American Nazi Party, announced today that fourteen of his followers would tour Southern cities this week.

In a telegram to Attorney General Robert F. Kennedy, Mr. Rockwell said his group "deplored the illegal violence mistakenly employed by our brother white men in Alabama."

As a result, Mr. Rockwell said in his telegram, "we are sending a 'hate' bus full of Nazis from Washington to New Orleans starting Monday morning to urge respect for law and legal organizational efforts to preserve the white Christian

American Republic established by our forefathers."

Mr. Rockwell declared that the group would leave here tomorrow morning in a second-hand bus covered with what he called "hate signs." He asked protection "from Jew and Negro hoodlums by your army of Federal marshals."

He said the bus would visit Richmond, Charlotte, Atlanta, Birmingham, Montgomery and New Orleans.

Rockwell Asks U. S. to Guard Bus

Self-styled American Nazi leader Lincoln Rockwell has asked Attorney General Kennedy to provide "protection from Jew and Negro hoodlum" for a busload of his followers who will plead peaceful resistance to integrationists in New Orleans.

In a telegram to the Attorney General yesterday, Rockwell said:

"We deplore the illegal violence mistakenly employed by our brother white men in Alabama trying to defend themselves from the vicious agitators and riot provokers seeking to destroy the white race in the South. We believe in the law and the integrity of our federal law enforcement agencies.

"Therefore, we are sending a 'hate' bus full of Nazis from Washington to New Orleans starting Monday morning to urge respect for law and legal organizational efforts to preserve the white Christian American republic established by our forefathers. We respectfully request protection from Jew and Negro hoodlums by your army of federal marshals."

Rockwell signed himself as "Commander American Nazi Party."

U.S. Nazi's 'Hate Bus' Crew Jailed

NEW ORLEANS, May 24 (UPI).—Ten members of the American Nazi party wound up in jail tonight after an abortive attempt to spoil the opening of a pro-Jewish film, "Exodus."

In soggy khaki uniforms, nine "storm troopers" and their "fuhrer," George Lincoln Rockwell, all of Arlington, Va., had their evening schedule of hate demonstrations cut short by police.

Police Supt. Joseph Giarrusso was on hand when Mr. Rockwell and five troopers pulled up at the rain-flooded entrance to the Civic Theater. Mr. Rockwell and a trooper began to picket.

Their signs read "Exodus Written by a Communist Jew," and "America for whites, Africa for blacks, gas chamber for traitors."

Frisked on Street

But before they could take more than a dozen struts beneath the marquee, the picketers and their comrades in the Washington, D. C., car were ordered to lean against a furniture show window for frisking.

Police found a jack-knife and a realistic-looking toy pistol in the car. The six were taken to jail.

The other four members of the "hate brigade," also wear-swastika armbands, arrived later after having been shooed away from an N. A. A. C. P. meeting where they had tried to picket. Police were on hand at the Negro rally.

"Can you tell us where to find the superintendent of police?" asked a youngish Nazi from the Volkswagen bus as it pulled up to the theater.

"Take 'em in," was Mr. Giarrusso's reply.

They were also frisked, but police found only a copy of "Spartacus," a novel of a Roman slave revolt, and some spare uniforms in the bus. The second batch of Nazis were taken to join their comrades in jail.

Booted From Motel

The charge against all ten was a state statute prohibiting commission of any act in a manner "to unreasonably disturb or alarm the public."

One of the troops was arrested earlier today when the group's bus had an accident as it tried to elude a police patrol car.

In addition to the arrests, other frustrations have piled up for the group. So far, they've been booted out of their motel, kept out of a state park where they planned to prepare their picket signs, and twice been drenched by Louisiana downpours.

To add to their woes, the manager of the Civic Theater where "Exodus" is playing reported a good crowd, despite the rain and the pickets.

The "storm troopers" arrived last night in a driving rain and ran smack into the unsympathetic police. First they were headed out of town by police, then turned away by a motel operator, and finally permitted to stay in town overnight after compromising on their "hate" signs.

Police never let the bus, plastered with "hate" signs, out of their sight after it entered the city last night. When the German van parked in the city

outskirts, a police captain confronted the driver.

"I want you to understand what I tell you and get it right," said Capt. T. H. Troxclair. "You are not to move a wheel until you cover up every one of those signs."

The signs read, "We Hate Jew-Communism" and "We Do Hate Race Mixing." The Nazis began trying to cover up the signs with paper, but a drizzling rain turned into a downpour and forced them to shelter. Then they ran out of paper.

They telephoned Mr. Rock-

well at his command post in a New Orleans hotel, and apparently on his advice told the officers of the plight. The Nazis said they were unable to cover the signs, but the officer maintained the signs broke the law.

Before reaching the city limits, the Nazis, from Arlington, Va., said they had changed their minds and asked permission to seek lodging on the condition they rip off the cardboard signs on the sides and use what paper they had to cover the signs on the front and rear of the bus. The police agreed.

Rockwell-Led 'Hate' Group
Tries to Pocket 'Exodus'

NEW ORLEANS, May 24 (UPI)—Nine Nazi "storm troopers" and their leader, George Lincoln Rockwell, were arrested tonight as they tried to picket the movie "Exodus."

They had signs reading, "America for Whites," "Africa for Blacks" and "Gas Chamber for Traitors." The movie is about the fight to create Israel.

The police also drove them away as they sought to picket a membership rally of The National Association for the Advancement of Colored People.

No charges were filed against the Nazis, but a police spokesman said they probably would be booked in a statute outlawing acts that "might alarm the public."

The Nazis, wearing swastika armbands and uniforms arrived here yesterday on a "hate tour" to demonstrate against Jews and Negroes. One was seized earlier today when the group's bus had an accident in trying to elude a patrol car.

Other frustrations have piled up for the group. They have been ejected from their motel and kept out of a state park.

Mayor DeLesseps S. Morrison issued his first statement regarding the Nazi group and the bi-racial "Freedom Riders." He said they were "nothing but trouble" and not welcome here.

"I would like to assure every citizen that appropriate steps have been taken to deal sternly with these agitators, and that the strict letter of the law will be carried out," he said.

"New Orleans has demonstrated that it can handle its own problems without outside interference."

Rockwell, 43-year-old Virgin-

ian, said the demonstrations would be carried out "if I have to do it alone." He said he could put "150 men on the streets of American cities at any time."

He flew in from Washington yesterday and stayed at a downtown hotel. His men motored in last night in a rain storm and ran into unsympathetic policemen, who made them cover the hate signs on their bus.

Rockwell said he was not displeased with the police here. "They're absolutely professional, neither for us nor against us," he said.

He was challenged to a public debate by the Rev. Clyde Johnson of Kentwood, La. The Baptist clergyman, a member of the White Citizens Council, said Rockwell's group was "no good" and made up of "hypocrites."

Rockwell accepted the challenge and the debate tentatively was to be taped tomorrow night at the city's educational television station.

Rockwell said he would picket the Congress of Racial Equality, which is sponsoring the "Freedom Riders"—if I can find their headquarters."

Rudy Lombard, C. O. R. E. leader here, said his group had no headquarters, but met at churches. It is maintaining daily pickets at dime stores.

Gov. Jimmie H. Davis issued a statement before the Nazi group's arrival, saying it would not be welcome.

Rockwell contends he was invited to the city by "very high, responsible people."

Rockwell Staging 'Hate Campaign'

NEW ORLEANS, May 23 (UPI) — George Lincoln Rockwell, self-proclaimed Fuehrer of the American Nazi party, flew into New Orleans today to lead a Negro-Jew "hate campaign."

Mr. Rockwell, loudly maintaining that the United States should have been on Germany's side in World War II, said he and ten of his "storm troopers" would demonstrate here against the National Association for the Advancement of Colored People, the Congress on Racial Equality, and "Exodus," a film opening tomorrow night which depicts the Jewish struggle to create Israel.

He would not tell newsmen how long he planned to remain in the city or where he was going when he left the airport. But he said yesterday in Washington he planned to meet with some "very high, responsible people" in New Orleans who supported his party.

EXTREMISTS FIGHT 'METRO' PLANNING

New Hate Group Spreads

Venom in U.S.

By WILL STEVENS

Hearst Headline Service Special to N. Y. Journal-American
SAN FRANCISCO, May 24.—The existence of a nationwide extremist group loosely identified as Anti-Metro, dealing in hate campaigns ranging through religion, race, labor and even such issues as mental health programs, has been uncovered by a San Francisco Examiner investigation.

Already spreading across the nation after its inception in Florida's Dade County three years ago, the current "movement"—farther to the right than the John Birch Society—has gathered momentum to a point approximating the nationwide status of the Birch group ten months ago.

Its followers, mailing thousands of distorted "rumor sheets," already have launched extremist attacks on state and local government programs and institutions in California, with hate and deceit tactics matching those of the Communists.

Such is their power in California at this stage that Richard Carpenter executive director of the League of California Cities, yesterday conceded that Anti-Metro, in effect, successfully torpedoed the projected Metropolitan Multi-Purpose Act.

This Assembly bill was designed to unify overlapping services of neighboring communities, such as water, lighting, transit. The governing body would have been composed of both city councilmen and county boards of supervisors.

CENTRAL THEME

How did such a tremendously potent force come into existence, spread across the nation, and then successfully invade California? What's its out Birching-Birch pitch, reportedly financed by a Texas oil millionaire whose name public officials suspect—yet can't nail down for the record?

Anti-Metro's central theme: Organizations of public officials and public agencies headquartered at 1313 E. 60th st., Chicago, ranging from the Public Administration Service

to the American Municipal Association, comprise a "giant Cell 1313" dedicated toward amalgamating divisions of free government one superstate.

Anti-Metro's theory:

Teams of "social engineers" in the field of public administration propose to create a "metro" or metropolitan state by abolishing elective offices, staffing vital offices of trust such as sheriff with political appointees, centralizing police power, creating confiscatory taxation, establishing Soviet-type central communications and "demagogic executive and administrative control."

Subsequently, opponents of metropolitan government programs—in Los Angeles and Sacramento — were informed that mimeographed "rumor sheets" in gross lots were available to fight "Metro."

One of the sources, the Examiner learned, is the Independent American, Box 4223, New Orleans. Another is the Committee for Preservation of the Constitution, P. O. Box 27103, Hollywood.

These mimeographed sheets titled "partial list of rumors in connection with urban renewal," also began to flood

other areas where urban renewal programs were being considered. The sheets were unsigned.

These areas comprised a nationwide pattern for Anti-Metro attack: Atlanta, Ga.; Baton Rouge, and Jefferson Parish, La.; Seattle Wash.; Nashville and Knoxville, Tenn.; Fairfax County, Va.; Harris County, Tex.

Typical excerpts from a "rumor sheet" currently being circulated in San Francisco:

"1313 E. 60th street (sometimes referred to as 'The Giant Cell') is Communist headquarters for the training of urban

renewal people, city planners, city managers for metro government etc., and through the infiltration of these trained people the Communist plan to gain control of the United States."

Another:

"At least 80 per cent of city newspapers are controlled by Communists, and are working for urban renewal, metro government, and other ways of abolishing free government. The fact that few, if any, of the bitter struggles taking place over urban renewal are reported in the newspapers increases this rumor."

Mr. Carpenter, of course, and scores like him across the country — including hundreds of city officials — were aware of the vanguard attacks on the organizations they represent.

IGNORED AT FIRST

But they considered the attacks ridiculous, and the "1313" theme ludicrous. It was "Gerald L. K. Smith rides again" stuff—with some new additions. So Anti-Metro was ignored, on the theory it thus would wither on the vine. Instead, it prospered. Mr. Carpenter now observes:

"We clearly and easily identify Communists and extreme liberals. But the extreme right people wrap themselves in the flag. Because they are extremely right wing, no one seems to be disturbed.

"But these people in our world today actually are more

dangerous than the ultra liberals because they're not always known . . . They are far more dangerous than the extreme left groups."

'HATE' CAMPAIGN IN NEW ORLEANS

Nazis Get a Cold Reception

NEW ORLEANS, May 24 (UPI).—A busload of "Nazi Storm Troopers" ran into rain and an unsympathetic police officer in their confused and unglorious entry into the city last night.

The American Nazi Party members first were headed out of town by police, then turned away by a motel operator, and finally permitted to stay in town overnight after compromising on their "hate" signs.

But the Nazis maintained their "hate campaign" against CORE, the NAACP and Otto Preminger's film "Exodus," will come off as scheduled today.

Police never let the bus, painted with "hate" signs, out of their sight after it entered the city last night. When the Volkswagen van parked in the city outskirts, a police captain confronted the driver.

"I want you to understand what I tell you and get it right," said Capt. T. H. Troxclair. "You are not to move a wheel until you cover every one of those signs."

The Nazis, wearing suits and sportsclothes instead of their swastika-marked khaki uniforms, listened to Capt. Troxclair read a statute prohibiting any act which would "unreasonably disturb or alarm the public."

The signs read "we hate Jew-communism" and "we do hate race mixing."

The Nazis began trying to cover up the signs with paper, but a drizzling rain turned it to a downpour and forced them to shelter. Then they ran out of paper.

CALL TO "FUEHRER"

They telephoned their "Fuehrer," George Lincoln Rockwell, at his command post in a New Orleans hotel, and apparently on his advice told the officers of the plight.

The Nazis said they were unable to cover the signs, but the officer maintained the signs broke the law. The Nazis said they would have to "move a wheel" to get out of the parish and Capt. Troxclair ordered an escort.

Before reaching the city limits, the Nazis, from Arlington, Va., said they had changed their minds and asked permission to seek lodging on the condition they rip off the cardboard signs on the sides and use what paper they had to cover the signs on the front.

and rear of the bus.

The police agreed, but the first attempt at finding beds for the night failed.

The Del Mar Hotel operator said she had vacancies, but "I saw those policemen and I asked what was wrong."

She said an officer told her it was her choice whether to take the Nazis in, but she said she turned them away because

"if I don't like them, I don't take them."

The Nazis later found a more sympathetic motel clerk and lodging for the night.

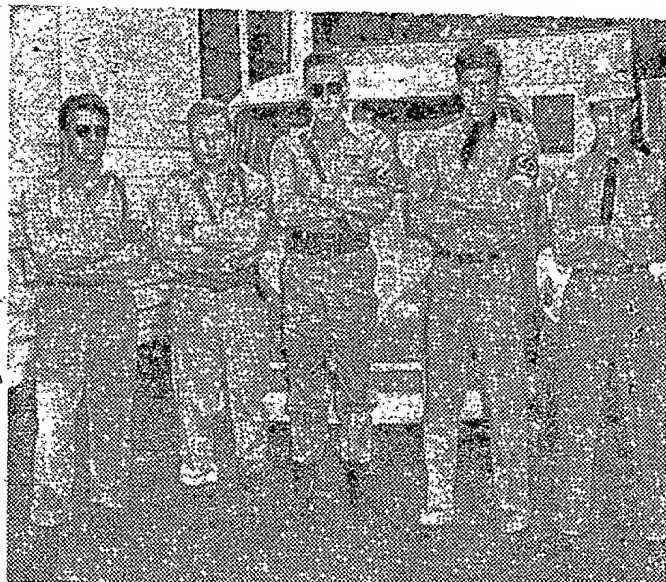

ROCKWELL FLIES IN

Rockwell, the cigar-chewing leader of the party, arrived yesterday by plane, loudly maintaining that the United States should have fought with

instead of against Germany in World War II.

He said the troopers would demonstrate against the National Association for the Advancement of Colored People headquarters and against the Congress on Racial Equality.

Rockwell, a former commercial artist and publisher from Arlington, said his troopers would be wearing uniforms and swastika armbands for the demonstrations at the organizations and the Civic Theater where the showing of "Exodus," a film about Israel, begins tonight.

10 Nazis Stage Hunger Strike Against Arrest in New Orleans

Rockwell and 9 'Storm Troopers' Await Trial After an Attempt to Picket Film—No Hearing Date Set

NEW ORLEANS, May 26. (UPI)—George Lincoln Rockwell and his "storm troopers" went on a hunger strike today in the parish (county) jail here to protest their arrest.

Rockwell, self-styled leader of the American Nazi party, and nine of the uniformed men were jailed on charges of disturbing the peace as they attempted to picket the movie "Exodus" Wednesday night. They came here on their "Hate Bus" earlier in the week for the announced purpose of conducting demonstrations against Negroes and Jews.

An Orleans Parish jail spokesman said Rockwell, 43 years old, and his men had refused food since 4 P. M. yesterday. The jailer said the group was "polite and courteous," but that the Nazis, all from Arlington, Va., maintained they were not hungry.

The last time the men ate was yesterday morning at the city jail. They were formally charged yesterday afternoon and transferred to the parish prison.

Trial to Be Set

The district attorney's office said no trial date had been set, but predicted it would be early next week. The charge is a misdemeanor.

Rockwell said from his city jail cell yesterday that he would not accept bond if he was charged. Each is under \$500 bond.

The Nazis said they had come here at the invitation of some "very high and important

people," but none of them have come forth to offer the bail.

There also has been no sign of a Nazi support party, which was supposed to have arrived today from Pensacola, Fla., to aid Rockwell and his men.

Doug Olefke, 27, announced yesterday that he and five men were coming herewith "supplies of tear gas, roofing nails and other things." The New Orleans police said bluntly that "plenty of jail cells are available for them, too, if they cause any trouble."

Charges Conspiracy

Rockwell maintains that America should have fought on the side of the Nazis during World War II. He has said there was a conspiracy of "the inferior people to overcome the biologically superior people by sheer numbers."

The former naval officer charged that the "inferior people" were mostly Negroes and Jews.

The Nazi "hate" tour here has been one of almost complete frustration. In addition to being arrested, they were ejected from their motel. The police refused to let them enter a state park to paint their hate signs. And the Nazis wrecked their Hate Bus while trying to elude a state police car that was following them.

One of them, who was driving the bus when it smashed into a bus railing, was arrested on a charge of reckless driving before his comrades were hauled in for picketing. He was placed in a Jefferson Parish jail.

ROCKWELL IS FREED; HUNGER STRIKE ENDS

NEW ORLEANS, May 30 (UPI)—The leader of the American Nazi party left jail on bond today and told his still-imprisoned associates that they could end their five-day hunger strike.

George Lincoln Rockwell, who led the nine men on a Negro-Jew "hate" campaign here, then went to eat.

He and his men, arrested on disturbing-the-peace charges Wednesday night while picketing the movie "Exodus," had protested their arrest by refusing to eat since Thursday.

After his release on \$300 bond, Rockwell sent a telegram to "Lieut. John Patler, American Nazi party, New Orleans Parish Prison." The wire to his next in command here read: "Heard good news direct from judge today. Trial by Friday or Monday. Arraignment probably tomorrow. Your will and dedication is inspiring white men everywhere to stand up and fight. Start eating and God bless you. Sieg Heil."

It was signed "Commander." Rockwell, a former naval commander from Arlington, Va., said he would return to jail with his men if the trial date was not set as promised him.

Rockwell Upheld On Right to Speak

Special to World-Telegram and Sun

ALBANY, June 9. — The Court of Appeals today upheld the right of George Lincoln Rockwell, self-styled American Nazi, to speak in a New York City park.

The seven-member panel unanimously affirmed, but with no written opinion, a Feb. 14 decision by the Appellate Division of State Supreme Court.

New York Mayor Robert F. Wagner and city Parks Commissioner Newbold Morris had denied Rockwell a permit to speak at Union Square last July 4 because because of the possibility of violence.

The Appellate Division held that, in denying Rockwell the permit, the city officials exercised prior restraint and censorship of a proposed speech in violation of the Constitution.

Rockwell has since led a tour of the South in support of segregation.

NAZI WINS RIGHT TO SPEAK IN CITY

Highest State Court Rules
Morris Should Have Given
Rockwell a Park Permit

DECISION IS UNANIMOUS

No Written Opinion Given
in Backing Lower Panel
on July 4 Dispute

By WARREN WEAVER Jr.

Special to The New York Times.

ALBANY, June 9—The Court of Appeals today upheld the right of George Lincoln Rockwell, the self-styled American Nazi leader, to speak in a New York City park.

The state's highest court ruled unanimously that Mr. Rockwell should have been granted a permit to speak in Union Square last July 4. There was no opinion written to accompany the decision.

Mr. Rockwell describes himself as the "commander" of the American Nazi party. He has attacked Jews and Negroes in speeches and recently led an anti-integration demonstration in the South.

Decision by Morris

Last year, New York City's Park Commissioner, Newbold Morris, refused to grant him a permit to speak in Union Square. Mr. Morris said that a speech by Mr. Rockwell would be likely to touch off rioting.

When Mr. Rockwell took the case to court, the Supreme Court upheld Commissioner Morris. However, the Appellate Division, First Department, reversed it on the ground that it was an unconstitutional restraint on the right of free speech.

The Appellate Court said that "the right of free expression is not to be entrusted to administrative, previous restriction for contemplated violations of the law."

Appeal by City

It was this decision, which the city appealed, that the seven-man Court of Appeals upheld today.

The Appellate Division ruled that Commissioner Morris should give Mr. Rockwell an alternate date upon which to speak, since last July 4 had already passed by the time of its decision.

In seeking court backing for his speech, Mr. Rockwell said he wanted to "exercise the constitutional right of freedom of speech on political opinion." He gave his address as Arlington, Va., and said his Nazi party had fifty-seven members.

The Rockwell party uses the emblem of the swastika and the Nazi salute, and generally follows the anti-Semitic policies of Hitler's Germany.

Rockwell Out on Bail; 9 Nazis Behind Bars

United Press International.

NEW ORLEANS, June 14.—Self-styled Nazi Fuehrer Geore Lincoln Rockwell, 43, left his nine "storm troopers" in Parish (county) Jail today and headed for home under a \$1000 bond.

Rockwell and his troopers were fined and sentenced last night on counts of unduly alarming the public and of conspiring to breach the peace by picketing a New Orleans theater in Nazi uniforms.

Rockwell, former publicity man, printer and Navy flier, said he was due in court in his home town, Arlington, Va., on a twice-postponed alimony hearing.

Judge Edward A. Haggerty found all 10 innocent of a third charge, that of failing to move on when told to do so during the brief demonstration May 24. Judge Haggerty made the jail terms on the other two charges concurrent.

Rockwell's fine was \$100 and his sentence 60 days. Three Nazi "Heutenants," including nationak Nazi secretary Seth D. Ryan, 22, also of Arlington,

were fined \$75 and sentenced to 45 days. The other five were fined \$50 and sentenced to 30 days.

U. S. NAZIS SENTENCED

Rockwell Is Released on Bond
to Attend Alimony Hearing

NEW ORLEANS, June 14 (UP) — The leader of the American Nazi party, George Lincoln Rockwell, left his nine "storm troopers" in the county jail here today and headed for home under a \$1,000 bond.

Rockwell and his followers were fined and sentenced last night on county of unduly alarming the public and of conspiring to breach the peace by picketing a New Orleans theatre in Nazi uniforms.

Rockwell said that he was due in court in his home town, Arlington, Va., on a twice-postponed alimony hearing.

Judge Edward A. Haggerty found all ten not guilty of a third charge, that of failing to move on when told to do so during the brief demonstration May 24. Judge Haggerty made the jail terms on the other two charges concurrent.

Rockwell's fine was \$100 and his sentence sixty days. The others received lesser sentences.

The charges stemmed from the Nazis' picketing the local premiere of a movie, "Exodus," a version of the establishment of Israel as a Jewish nation.

Nazi Artifacts Export Banned

BONN, June 14, (NANA).— West Germany has banned the shipment of Nazi artifacts and trappings to foreign Nazi movements, particularly that of George Lincoln Rockwell in the United States.

Customs authorities and Federal security police have found that there has been a steady trickle of Nazi paraphernalia from Germany to foreign lands.

Shipments include storm trooper and SS uniforms, ceremonial daggers, emblems and insignia, and a considerable amount of propaganda and printed material, including Hitler's Mein Kampf.

A check of legislation on this subject in both the United States and Germany disclosed there are no hard-and-fast restrictions on the traffic in Nazi trappings.

The Germans have invoked a law prohibiting the exporting of goods "likely to damage the reputation of the Federal German republic abroad." This catch-all legislation has been extended to all Nazi-era artifacts.

Rockwell Ignored

Heretofore, the Germans have ignored Rockwell, who lives in Arlington, Va., and his United States Nazis. This was done partly because West Germany was not involved in the Rockwell movement in the American public eye, and partly because the Bonn government feared any steps it might take to choke the flow of Nazi paraphernalia might create the impression Rockwell and his band of "storm troopers" were a German export.

It is also hardly a secret that a great many of Chancellor Konrad Adenauer's officials have not been altogether displeased with the activity of Rockwell. Not because they are Nazi sympathizers, but because they believe Rockwell's antics will make Americans less prone to criticize Adenauer's handling of West Germany's unregenerate Nazis.

An Adenauer security police official remarked in this connection, "At any rate we don't permit our Nazis to parade around in storm trooper suits wearing the swastika emblem."

Nazi Daggers Sold in U. S.

The Germans are also pointing out that much of the difficulty over Nazi artifacts is American inspired. A number of United States firms have been promoting sale of Nazi ceremonial daggers, contracting with a firm at Solingen to produce copies of the genuine article.

It was a United States firm that issued phonograph recordings of Hitler's speeches recently. (When the United States-produced disk was offered for sale in Germany, the Bonn government suppressed it.)

And Americans have provided an avid market for bootlegged copies of Hitler's Mein Kampf, banned in Germany since the end of World War II, and Nazi emblems and insignia.

It now develops that a vast supply of Nazi uniforms and trappings were concealed, instead of destroyed, at the war's end. These caches have been retrieved and are contributing to the United States traffic.

Authorities here pinpoint New York and New Orleans as the twin centers of the Nazi contraband traffic. The fact New Orleans is a major receiving center is interpreted here to mean that United States racists are experimenting with Hitlerite doctrines as a segregation weapon.

Enclosed for your information is a Xerox copy of a news clipping from "The Evening Star," Washington, D. C., dated 6/14/61, captioned "Nazi Artifacts Export Halted," which indicates that West Germany has banned the shipment of Nazi artifacts and trappings to foreign Nazi movements.

The article concludes with the statement that authorities in West Germany pinpointed New York and New Orleans as the twin centers of the Nazi contraband traffic. The article indicates that the fact New Orleans is a major receiving center is interpreted to mean that U. S. racists are experimenting with Hitlerite doctrines as a segregation weapon.

The Legat should immediately contact appropriate sources to determine if possible the receivers of such Nazi material in the United States.

New York and New Orleans should contact all logical informants to ascertain if large supplies of such paraphernalia are being received in their respective territories.

One Xerox copy of the article is enclosed for New York, New Orleans and WFO.

I have always felt your depart-

of the Erlington Co. affair.

I was a telephone Chief Operator at
the Pitts Carlton Hotel during the
first World War, all German manage-

too young to know. Later as Chief Opera-
tor of Saboy Plaza worked closely with
the W.B. & D. in many cases. I acted as a
Private Secretary to Mrs Thomas Manville
and worked with W.B. & D. on that case, which
was hushed when she died.

A waiter there wanted to kill all the
Jews he waited on. I turned him in to the

those years. Can't the Nazi Party be put
out of business before it gets too strong?

Re Chicago airtel and letterhead memorandum dated 7/26/61.

For the information of the offices receiving a copy of this communication, referenced Chicago airtel indicates that allegations have been made that Arab students have been ordered to join the American Nazi Party. Referenced airtel indicates that a Chicago source on 7/24/61 advised that Post 153 of the Jewish War Veterans (JWV) in Chicago, Ill., was to hold a meeting at 3455 West Lawrence Avenue in Chicago to discuss action the JWV might take against the American Nazi Party (ANP).

On 7/25/61, this source stated that members of the Chicago branch of ANP had become aware of the meeting and had telephonically contacted [redacted] on 7/24/61 to learn what had taken place. Without identifying himself, an ANP representative conversed with an individual who identified himself as [redacted], chairman of the above meeting. [redacted] confirmed that the meeting had concerned the ANP and stated, "We had a representative of the Communist Party (CP) present to explain the seriousness of Nazi activity in the United States." The CP representative was not identified.

[redacted] Attorney, [redacted] Chicago, advised Bureau Agents on 5/2/61 that as head of the Americanism Committee of the JWV in Chicago, he had in April, 1961, had five thousand copies made of pieces of literature disseminated by ANP. [redacted] said he had reproduced the

literature in order to furnish it to persons being contacted personally and by mail for the purpose of soliciting signatures on a petition in support of a bill then pending in congress, which would bar "hate" literature from the United States mails.

On 7/25/61, another Chicago source related that [] spoke with [] on that date and advised he, [] had attended a JWV meeting held by []. [] stated he learned that the JWV has material, including a tape recording, a movie, and other documentary information on the American Nazis. They had put out mailings of reproductions of material by the ANP and their own activity against the Nazis. The main tone of the meeting, according to [] was that the Jews alone should arm themselves and beat the Nazis. According to the source, [] stated that the group is recruiting young people for physical training and starting a fund campaign to organize a reserve corps of the JWV which is to be a group of young counter-terrorists. This was variously described as the Jewish Maffia.

b6
b7C

[] further reported that one of those present, a student who said he had been in the United States Army Intelligence Service, told him that some of his friendly enemies, that is Arab students at DePaul University in Chicago, had told him that all Arab students in the United States had been ordered to join the ANP and that huge sums of money is going to come to them in November from Arab sources and that a Chicago synagogue is to be totally destroyed in November. That individual, according to [], urged that "we all arm for reprisals in November. If they burn one of our houses, we must burn one of theirs."

b6
b7C

Offices receiving this communication should alert appropriate sources regarding the allegation that Arab students had been ordered to join the American Nazi Party and also the allegation of counter-terrorists by the Jewish War Veterans. Offices should discretely contact appropriate sources regarding this information and ascertain whether any plans are known to destroy a synagogue in Chicago in November.

A source, who has furnished reliable information in the past, advised the Washington Field Office of the Federal Bureau of Investigation on August 25, 1961, that in talking to [redacted] Deputy Commander, American Nazi Party, [redacted] stated that George Lincoln Rockwell, self designated leader of the American Nazi Party, and a group of members of the American Nazi Party, plan to travel to Atlanta, Georgia, and picket on August 29, and 30, 1961. [redacted] advised the source that trip will depend on obtaining enough money to finance the expenses of the trip. [redacted] related to the source that the treasury of the American Nazi Party is in very poor financial condition. According to the source, Rockwell has not been able to purchase paper to print leaflets and any other literature.

b6
b7C

The source stated that [redacted] and [redacted] are in New York trying to recruit members for the American Nazi Party.

The source also stated that Rockwell has mentioned going to Iceland sometime in October, 1961, providing he has sufficient finances.

According to the source Rockwell is considering going to New York and appear at Union Square. The source said Rockwell would consider this appearance a moral victory if he were to return to New York in the Fall of 1961.

A description of the American Nazi Party is attached.

Dear Mr. Newbold Morris:

I can understand very well why you do not want Lincoln Rockwell to make a speech.

You must be plenty worried that there is a danger that Lincoln Rockwell will expose the truth.

The strategy of certain criminal newspaper owners and the movie industry and etc is to try and continually brain wash the public with lies and distortions. You with quite a few others would really be worried if the American public learns about the lies and propaganda about the German people.

I don't think that your game will work though. There are too many GIs that have been to Europe and coming to Europe and finding the truth about the tactics and operations of criminals that own a good part of the American press.

You and others of your kind would like to do away with freedom of speech apparently. You and your kind are afraid of men like Rockwell. There is a great danger that he might convey the truth to the American public.

Re: American Nazi Party

b6

On August 24, 1961, Detective [redacted], Bureau of Special Services, New York City Police Department, advised that George Lincoln Rockwell, leader of captioned organization, had directed a letter dated July 13, 1961 to New York City Commissioner of Parks, Newbold Morris, in which Rockwell requested Mr. Morris to reserve the "hours of 2 to 4 P.M. Labor Day, 1961" for him (Rockwell) to speak in Union Square Park, New York City.

However, Rockwell stated, in the event the decision of the New York State Court of Appeals to permit Rockwell to speak in Union Square Park is being appealed to the Supreme Court of the United States, he Rockwell, would withhold his application for a speaking permit for Union Square Park, Labor Day, 1961.

On July 19, 1961, Commissioner of Parks Morris directed a letter to Rockwell advising Rockwell that no application for a permit would be acted upon until termination of pending litigation instituted by the Corporation Counsel of the City of New York.

Detective [redacted] further advised that on August 15, 1961, he had been informed by Mr. [redacted], Corporation Counsel's Office of the City of New York, that a Petition of Certiorari will be filed with the United States Supreme Court to review the June 9, 1961 decision of the New York State Court of Appeals which upheld Rockwell's claim that his Constitutional rights of free speech had been violated by the New York City Parks Commissioner's refusal to grant Rockwell a park permit.

b6
b7C

Mr. [redacted] advised that although this petition had not been filed as yet, it would be filed within the required 90 days following June 9, 1961. He added that should the United States Supreme Court rule this matter within its jurisdiction, it would probably be scheduled for the October, 1961 term of the court.

b6
b7C

Detective [redacted] stated that in view of the above, it is highly unlikely that Rockwell will attempt to speak in Union Square Park, New York City on Labor Day, Monday, September 4, 1961.

AMERICAN NAZI PARTY
RACIAL MATTERS

A source, who has furnished reliable information in the past, made available on September 21, 1961, a copy of a leaflet captioned "What's Behind Mr. Hate, America's No. 1 Trouble Maker?" which the source said was prepared by George Lincoln Rockwell, self-designated leader of the American Nazi Party.

Attached to this letterhead memo is a photostat copy of the above described leaflet. The source said that approximately three thousand of the attached leaflets were printed at the American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

The leaflet itself concerns the publication of the book captioned "This Time The World" which is being written by George Lincoln Rockwell. Attached to each leaflet is an order blank indicating that if properly filled out, a copy of "This Time The World" will be forwarded before general publication, postpaid and personally inscribed by Rockwell. The charge for early ordering is \$8.00 rather than the regular price of \$10.00.

The source added that Rockwell has no definite plans for any future picketings or trips outside of Arlington, Virginia.

The source added that, to his knowledge, the activities of the Fighting American Nationalists, a front group for the American Nazi Party, has been very negligible in the past six weeks.

The source added that Rockwell postponed the publication of the "National Socialist Bulletin", the official organ of the American Nazi Party because he felt that the leaflet concerning his publication of his book was more important than the publication and distribution of the "National Socialist Bulletin".

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

b6
b7C

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. ROCKWELL continued there are three members of the FAN in Washington, D. C.: [redacted] the National Director, [redacted] and [redacted]

AMERICAN NAZI PARTY, ALSO KNOWN AS
WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards and talks by ROCKWELL attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.
